Tech's Year Opens Sept. 11

Cleveland County Technical Institute's new school year will begin September 11.

A new class will begin in all of the following programs offered this 1968-69 year: Automotive Mechanics, Business Administration, Executive Secretary, Mechanical Drafting, Practical Nursing and Welding.

Offered for the first time in the new school year will be courses in Auto Body Repair, Accounting and Child Care. Applications may still be received in all of these programs with the exception of Practical Nursing in which the enrollment is filled. Cleveland Tech was notified that the last Practical Nursing class far exceeded the passing score of 350 on the state examination. Average grade for the class was 526.
