### IMPERIAL GRAND COUNCIL

In 1876 the Imperial Grand Council for North America was formed with headquarters in New York City. At that time the prerequisite for membership in Europe, Asia, Africa and America was established as a 32-degree Scottish Rite Mason or a Knights Templar in good standing. The purpose of the Imperial Council was to build the Order of Nobles into an organization for the exercise of charity, improvement of the mind, and an ally of the fraternity of Free Masonry in the United States. This was adopted at the First Imperial Council Session. The official name of the governing body was changed to the Imperial Council, A.A.O.N.M.S., in 1886. International Shrine Headquarters are now located at 323 North Michigan Avenue, Chicago, Illinois 60601.
