## MEMO TO ADVERTISERS

**Q. What are the 3 most important rules for profitable newspaper advertising?**

1. Your advertising message should be **newspaper friendly, informative, easy to read.** Give facts and news about your merchandise and service.
2. **Advertise regularly.** Make your advertising do what successful salesmen do—call on customers and prospects consistently.
3. **Insist on audited circulation reports** that give you the **FACTS** about the audience that your sales messages will have when you buy newspaper advertising.

**Q. Is there a measure for the value of newspaper circulation to an advertiser such as the standards a merchant uses in buying merchandise—for example, like **STERLING** on silver?**

**A. Yes—in the well known circulation standards of the **AUDIT BUREAU OF CIRCULATION.****

**Q. What does A.B.C. do for me?**

**A. At regular intervals one of the Bureau's large staff of experienced circulation auditors makes a thorough audit of the circulation records of each publisher member. The results of each audit are published in an easy-to-read A.B.C. report for your use and protection when you buy newspaper advertising.**

**Q. What are the **FACTS** in A.B.C. reports?**

**A. A.B.C. reports tell you how much circulation, where it goes, how obtained and other **FACTS** that help you buy advertising as you would make any sound business investment—on the basis of known values and audited information.**

**Q. Are all publications eligible for A.B.C. membership?**

**A. No. Only those with paid circulation. This is important to advertisers because it is evidence that the paper is wanted and read.**

**Q. What is the A.B.C.?**

**A. The A.B.C. is a cooperative, non-profit association of 3,450 advertisers, advertising agencies and publishers in the United States and Canada. Organized in 1914. Brought order out of advertising chaos by establishing a definition for paid circulation, rules and standards for measuring, auditing and reporting the circulations of newspapers and periodicals.**

**Q. Is this newspaper a member of the Audit Bureau of Circulations?**

**A. Yes. We are proud of our circulation. We want you to know the **FACTS** about the audience your selling messages will have when they appear in these pages. Ask for a copy of our latest A.B.C. report.**
