## Duo-Pianists In Concert Series

The Gastonia Community Concert Association announces the appearance of Ferrante and Teicher, noted duo-pianists, in concert, in Gastonia, during the 1969-1970 season.

Ferrante and Teicher are today the most sought-after musical combination in show business. They have appeared on every major television network program from Ed Sullivan and Dean Martin, to the Hollywood Palace, and Bell Telephone Hour. Without a doubt, the true measure of their popularity can be best gauged by their solid box-office all over the country and their phenomenal list of recording hits which followed "The Apartment" and "Exodus". These not only sold millions and became their musical identity, but also earned for them the coveted title of "The Movie Theme Team". Recently they achieved a new pinnacle in their career when their 50th record album was released.

Also scheduled to appear, during the concert season is William Warfield, baritone. He has been acclaimed around the world as one of the greatest vocal artists of our times. Mr. Warfield appeared in concert in Gastonia several years ago, and is being brought back by popular demand. He is perhaps best remembered for his magnificent singing of the immortal "Ole Man River" in the movie-classic "Show Boat".

In addition to these two outstanding concerts, the Concert Association plans two more concerts, to be announced at a later date. Mrs. Torben Seear, president of the Concert Association, has proclaimed that "the Gastonia Community Association will be second to no other concert association in this nation, in bringing to our community the most outstanding concert talent available."

Admission to the concerts will be obtained by contacting Mrs. Larry Hamrick, phone 739-6813. Membership will go on sale, from February 10th through 15th, and may be obtained by contacting Mrs. John Plonk, 739-2443, or Mrs. Donald Deal, 864-6939, Gastonia.
