

Winn-Dixie Food Sales Are Up

Total sales at Winn-Dixie food stores were up 13.91 percent during the 28 weeks ended Jan. 10 compared with the like period last year.

They amounted to \$738,012,849 against \$647,901,432, a gain of \$90,111,417. Earnings after taxes were \$12,714,155 compared with \$12,940,566, representing a percentage to sales of 1.72 percent against 2.00 percent.

Per common share earnings were 98c compared with \$1.01, with the current year earnings computed on a basis which assumes an increase of 9 percent in Class B shares outstanding to provide for maximum possible conversion within one year from Jan. 10, 1970.

Prior year earnings per share have been restated with the computation based on a 4 1/2 percent increase in the number of Class B shares to provide for maximum possible conversion within one year from Jan. 11, 1969.

Shares outstanding are 8,084,045 common and 4,496,859 Class B common, compared with 8,029,292 common and 4,523,075 Class B common a year ago. Stores now in operation total 801 against 775.

Nineteen new stores were opened and 12 closed during the 28 weeks. In mid-January, 51 new stores were being developed and 31 of these are scheduled to open by the end of the current fiscal year.

Phone Rates To Be Cut

The American Telephone and Telegraph Company plans to reduce telephone rates to more than a dozen European countries at an estimated savings to United States customers of \$24 million.

The proposed reduction — about 25 per cent less than current rates — is made possible by a new cable system from the United States to Southern Europe slated to begin operation in March.

Rates will be revised March 31 to Germany, France, the United Kingdom, Ireland, Austria, Switzerland, Greece, Belgium, the Netherlands and the Scandinavian countries of Denmark, Norway, Sweden, and Finland.

Also affected by the rate plan are: the Balearic Islands, Canary Islands, Liechtenstein, Luxembourg, Monaco and Spanish North Africa.

Spices were the first flavorings.

GOSPEL SING

Midview Baptist church will sponsor a Gospel Sing Saturday night at 7 p.m. with special music by the Chordsman and Messenger Quartets. Rev. John Frazier is pastor of the church and the interested community is invited to attend.

ON HONOR ROLL

James Valentine, Kings Mountain student at Central Washington State college, is listed on the honor roll for the fall quarter.

A Comice pear frequently may be found with a touch of red contrasting the green skin.
