DIABETES CAN'T BE CURED BUT CAN BE CONTROLLED
Proper diet, an oral medication called a hypoglycemic agent, and insulin are the three ways a physician controls a diabetic patient. He may use just diet or all three, depending on the type of diabetes. The important thing is to diagnose early for in some cases there are no symptoms.
Because the diabetic needs a great many products to help control the condition, we have a complete "Diabetic Center" in our pharmacy. This includes not only the necessary prescription medicines but testing tapes, sugar substitutes, sugar-free products, food measuring scales, syringes, etc.
YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Weekly Health Tip
By **WILSON GRIFFIN**
Choose your baby sitter carefully. Explain to her carefully and thoroughly all she needs to know about the children, home facilities and procedures to follow. Prepare a card listing the address and telephone where you can be reached — when you will return — full instructions whether to feed, bathe, or put the child to bed. Also list the phone number of persons to call in case of accident or sudden illness: your family doctor, fire and police department, rescue squad, gas and electric company, etc.
After you see your doctor, bring your prescription to

SECOND BAPTIST NOTE-BURNING — Second Baptist Church celebrated Homecoming October 18 with a note burning and dedication service at the morning worship service. Located at 120 Linwood Drive, the church was constructed in 1952 and seats 450 in its air-conditioned sanctuary. A three-story educational building houses six assembly rooms, 30 class rooms, pastor's study, library, secretary's office, financial office, nursery and three restrooms. Rev. Eugene W. Land is the 13th pastor to serve the church since its organization June 13, 1915. In the picture above, R. E. Barnett, at left, and Cecil Owens, are trustees, are shown burning the note while looking on, left to right, are: T. R. Dalton, M. C. Wood, Kenny McAbee, C. B. King, Brooks Tate, Dr. Frank Malone, C. M. Lankford, Wesley Kiser and Rev. Land. Kiser, Lankford, Wood, King, McAbee, Tate and Owens are deacons.

SPACIOUS LOUNGE — The new wing of Kings Mountain Hospital has a comfortable commodious lounge, much more spacious than the comparatively cramped quarters these succeeded.

LEAGUE STANDINGS (Ladies League)

A yard or so of material—and almost 200 years of dreams and determination—make an American Flag.
We honor that flag when we value the heritage it represents.
We defend it when we strengthen our freedoms by using them.
All this is part of what our young people must learn if they are to become responsible citizens.
Many educators count on the Treasury's School Savings Program to help illustrate these ideas. They know that buying U. S. Savings Stamps regularly gives each youngster an active part in his country's affairs, a part he can understand and from which he can come to appreciate how his country and his freedom depend on what he does as a citizen.
Let the School Savings Program help your students help America and themselves.
When they buy their first Savings Stamps this year they'll receive a wallet card showing Old Glory. When they trade in their stamps for a Series E Bond, a special Old Glory certificate will be awarded to them.
