### Bennett To Speak At Oak Grove

Oak Grove Baptist church has designated this coming Sunday, December 20th as Foreign Mission Day with Rev. Troy Bennett as guest missionary.

All the church services will be given to Rev. Bennett to convey information about missionary needs and approaches used today.

At 10 a.m. Rev. Bennett will give information about missionary work in general. Rev. Bennett will preach during the 11 a.m. worship hour. At 6 p.m. Rev. Bennett will show slides pertaining to his work in Pakistan and make pertinent comments.

Troy C. Bennett and his wife were appointed in June 1956 the Southern Baptists' first missionaries to East Pakistan. They were stationed in the city of Comilla, his base as a field evangelist and treasurer of the Pakistan Mission (organization of Southern Baptist missionaries).

Appointed by the Foreign Mission Board in 1956, the Bennetts arrived in Pakistan early the following year. They lived first in Faridpur, where they began studying the Bengali language. However, Dacca soon became their headquarters because of his business and financial responsibilities as treasurer of the Pakistan Baptist Mission, which was organized late in 1957 when additional Southern Baptist missionaries arrived.

While stationed in Dacca, Bennett participated in evangelistic work among English-speaking people and helped with the Baptist reading room. He and his family moved to Comilla in 1962.

When they returned from a year's furlough in the United States in 1966, they settled in Faridpur where Bennett resumed evangelistic work. He also served as treasurer of the mission. They moved back to Comilla in May 1969.

A North Carolinian, Bennett was born in Hanes and grew up in Winston-Salem. He received the bachelor of arts degree from Wake Forest (N. C.) College (now Wake Forest University, Winston-Salem) and the bachelor of divinity degree from Southeastern Baptist Theological Seminary, Wake Forest.

Prior to missionary appointment he was pastor of Immanuel Baptist church, Fayetteville, N. C., and Chatham Road Baptist church, Winston-Salem, and interim pastor of several other North Carolina churches.

Mrs. Bennett is the former Marjorie Tripper of Roanoke, Va. They have three children, Steve, born in 1952, Becky, 1955, and Debbie, 1958.

The Bennetts are on furlough here and are residing on N. Gofforth Street.

More than 2,000 men formed the crew of the Battleship USS North Carolina during active duty in World War II.

### Lutherans Set Carol Service

St. Matthew's Lutheran church will hold its traditional White Christmas Candelight service Sunday evening at 6 p.m.

**Now all your U.S. Savings Bonds pay higher interest.**

Now it's official. Now one of the safest investments in the world brings you new and higher returns. Now your U.S. Savings Bonds pay the highest interest in history: a full 5 per cent when held to maturity of 5 years and 10 months. (4% the first year; 5.20% thereafter to maturity.) Previously, these Bonds earned you only 4 1/4% if you held them for seven years. The new interest began June 1, 1969. So all of the Bonds you own, no matter when you bought them, have been collecting higher interest since that time. Those Bonds are still replaced if lost, stolen or burned. You can still buy them through Payroll Savings or the Bond-a-Month

plan. Regardless of your other investments, can you think of any easier, better, or safer way to build a nest egg for yourself? It's nice to know that you are doing a little something for Uncle Sam, too. The \$52 billion in U.S. Savings Bonds now outstanding in the hands of millions of Americans go a long way toward keeping your country financially strong. There never was a better time to take stock in America. There's a man at the place where you work who can start you on the Payroll Savings Plan right now.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

**Take stock in America.**  
With higher paying U.S. Savings Bonds.
