G-W Sets Victory Dinner

Bolling Springs—For a year Gardner-Webb has been going through a capital gifts fund campaign and the school has scheduled the campaign victory dinner for Thursday night at 7 o'clock with Governor Robert Scott as the principal speaker.

The campaign started last May with a Kick-Off Dinner with Ralph Guglielmi, former Notre Dame football All-American. The goal of \$1,500,000 was announced and from all indications the goal will be met and announced at the Victory Dinner.

More than 1,000 people are expected to jam the East Physical Education Building for the dinner.

One of the evening's highlights will be a special musical presentation by Arthur Smith, radio and television personality who will play his renowned "Guitar Boogie" which has sold more than a million records. Smith is the college's golf chairman in the Charlotte area campaign.

The Gardner-Webb Choral Ensemble, Dr. George R. Cribb, director, will sing several selections from The Music Man.

Funds raised from this campaign will be used for the con-

struction of a new library, the conversion of the present library into a classroom building, the construction of a new dormitory for men and to double the size of the present administration building. To date the campaign has been conducted in the Shelby area, Bolling Springs area, Cherokee Area, Belmont area, Gastonia area, Upper Cleveland area and is under way in Charlotte. Campaigns will be conducted in the Forest City area, Rutherfordton area and Gaffney area. Leaders from all the areas who worked in the campaign will be honored at the dinner.

Our television commercial seems to be falling on deaf ears.

We've had a lot of comments on our television commercial. People tell us it's charming. And warm.

And they love our little "star," Jeff.

But as much as we appreciate your comments, we'd rather have something else.

We'd rather have your money.

You see, the whole point of our commercial is to raise money to build a chapel.

A nondenominational chapel. So the kids at the Morganton School for the Deaf will have a place to pray.

Right now we're forty-eight thousand dollars short of that goal. And our television commercial, which has been running for several weeks, has gotten us a disappointingly small

amount.

And it's our fault. Because even though the television and radio stations gave us a lot of free time to get our message across, we didn't make that message clear enough.

So let's clear it up right now:

There are 618 kids in Morganton, North Carolina, who have been deprived of their hearing. And that's unfortunate. But what's even more unfortunate is the fact that they're being deprived of the word of God.

Please help them. Contributions are tax deductible. So send a nickel, send a dime, send a dollar, send anything to Chapel for the Deaf, Inc., c/o Hargrove Skipper Bowles, Box T-3, Greensboro, North Carolina 27402.

Hear?
