

KM Cage Tournament On Bulldog Schedule

BOILING SPRINGS, N. C.—Seven cage games, plus three tournaments and a four-day trip to Mexico City will all be included in the 1971-72 Gardner-Webb College basketball season.

Coach Eddie Holbrook's cagers will open the season November 23 with a home game against Piedmont College of Demorest, Georgia.

The Bulldogs lost only one man

from the 1970-71 team which won 20 games and lost four. The lone loss was Jack McGill, a guard, from Statesville, N. C.

Coach Holbrook's team closed out the regular season with a rating of seventh in the NAIA national poll.

This year's team will again be built around George Adams, 6-5 senior from Kings Mountain, who made the TV Guide All-American

Team for the college division and also the NAIA All-American Team. Adams closed out last season with a 28 point per game average.

The highlight for the team itself in the regular season will be a four day trip to Mexico City where the team will take part in a four team round robin tournament. This trip is set for February 9-13.

The three tournaments include the Asheville Tip-Off in Asheville with UNC-Asheville, High Point dogs; the Kings Mountain Invitational and Vorhees joining the Bull-tational with Elon, Barber-Scotia and St. Augustine and the Gardner-Webb Holiday Tournament with Lenoir Rhyne, Mars Hill and

Belmont of Nashville, Tenn.

With His Bad Luck Behind Him, Setzer Eyes Victory At Hickory

HICKORY.—Whoever wins the Sportsman feature at Hickory Speedway Saturday night will have to reckon with Ned Setzer, who figures he's used up all his bad luck.

In a winless drought since early in the season, the popular midget was separated from shroud redhead from nearby Claremont was separated from victory by something so small as an air bubble in the track's last feature race.

Out front with just 10 laps to go in the fourth annual Scout-O-Rama after besting Harry Gant in a fierce fight, Setzer's 1957 Chevy experienced a sudden vapor lock in the gas line.

His racer suddenly broke traction when the powerful engine coughed back to life, throwing the car into a spin. Gant dived clear but also broke loose from the track and crashed into the guard rails.

Their peerless duel over, Setzer and Gant could only watch as Roy Trantham eased home the winner.

In the 21 Sportsman races held this season, Gant holds the upper hand with six trips to the winner's circle. Jack Ingram and Bob Pressley have four wins each. Setzer and Trantham have two apiece, and single victories are held by Morgan Shepherd, Bosco Lowe and Grand National super-star Bobby Allison.

Limited Sportsman drivers may find it tougher to stop Ted Wells and his streaking Chevy II, who has zoomed home eight

times a winner. The other seven wins in the division are shared by four drivers.

This week's program, coming on the heels of an open date, will offer 11 different races, including Rookies and four races for two classes of Go-Karts.

Starting time have been moved up thirty minutes for the two remaining night races. Gates will open at 5:30, the first race will start at 8:00 p. m. instead of 8:30.

Mighty Mites Win Opener By 24-6 Count

The Kings Mountain Mighty Mites opened their football season Tuesday night at City Stadium with a 24-6 victory over Gastonia Evening Optimist.

Jeff Putnam, a 10-year-old, scored 16 of KM's 24 points. He scored once on a 65-yard run and also ran the extra point and later scored on a 30-yard pass from Tim Chapman. He scored the extra point after Herbie Beam's 20-yard touchdown run.

Kings Mountain's other extra point was by Barry Lineberger. Putnam rushed for over 150 yards. Coaches Joe Cornwell and Rev. Kime cited Barry Lineberger and Robert Ingram for their defensive efforts.

Gastonia's only score came on a 10-yard run by Carlos Miyares.

Kings Mountain Pee Wees Lose By 20-12 Score

Kings Mountain's pee wee football team spotted Evening Optimist of Gastonia a 140 halftime lead Tuesday night at John Gamble Stadium and couldn't catch up, dropping their first game of the season 20-12.

The loss gives the Kings Mountain team a 1-1 record. Coaches Jim Littlejohn and Charles Burns take their club to Bessemer City next Tuesday night for a game at the Bessemer City High Stadium.

Gastonia's defense kept KM in check during the first half. Kings Mountain lost two fumbles and had two punts blocked.

Kings Mountain drove 49 yards in seven plays the first time it had possession of the ball in the second half but fumbled on the one yard line.

The locals later got the ball on downs at their own 41 and drove 59 yards for their first score. Peter Brown scored on a 27-yard pass from Ronnie Wilson, making the score 14-6.

Kings Mountain cut the deficit to 14-12 late in the third quarter when Brown again pulled in a Wilson pass and drove to the one yard line. Billy Garner scored from there on a one-yard plunge.

Gastonia stretched its lead to 20-12 early in the fourth quarter. Kings Mountain battled back but the locals hope for a victory died when the clock ran out with them on the Gastonia 15.

Q.—I'm supposed to get a promotion in October. Can I still be promoted despite the Freeze?

A.—Yes. Actual promotions to established positions are allowed, as well as increase in apprentice's and learner's rates under programs set up before August 15. However, merit and longevity increases are not permitted during the Freeze.

Q.—My college announced last spring that it would raise tuition for the fall semester. Is this increase covered by the Freeze?

A.—No. Increases in tuition rates announced before August 15 may still take place, even though they do not go into effect until September, because commitments and, in many cases, payments have already been made.

Taxpayers Ask IRS

This column of questions and answers on the Wage and Price Freeze is provided by the local office of the U. S. Internal Revenue Service and is published as a public service. The column answers questions most frequently asked about the Wage and Price Freeze announced August 15 by President Nixon.

Q.—How did the Internal Revenue Service get involved in answering questions about the Wage-Price freeze?

A.—The Internal Revenue Service undertook the assignment at the request of the Office of Emergency Preparedness which is the operating arm of the new Wage-Price program. Utilizing its nationwide taxpayer assistance network, the IRS receives, analyzes and investigates complaints and answers questions at 360 of its offices throughout the country.

Q.—What does the IRS do after it receives a complaint of a Wage-Price Freeze violation?

A.—The IRS will acknowledge the complaint and, if there is a reasonable basis for concluding that a violation may exist, it may contact the alleged offender to obtain voluntary compliance with the Presidential order or conduct further investigation. The IRS offices will report to the Office of Emergency Preparedness when further action is required. Actual prosecutions are the responsibility of the Justice Department.

Q.—Do complaints of freeze violations have to be in writing?

A.—No. Although the IRS prefers that complaints be written to make referrals to the Office of Emergency Preparedness easier and to establish whether there is any pattern of problems in a particular area, all complaints are recorded, analyzed and inves-
