each and Gastonians Larry Garvin and Eric Bynum added 10 apiece.

The key to Barber Scotia's victory was its defense on Elon All-American Tommy Cole. The Burlington senior scored only 11 points as Garvin and Steele took turns in guarding Coach Bill Miller's prize possession.

The Fighting Christians were led in scoring by 6-9 center Larry Trautwein, who hit for 24 points. Robbie Hicklin and Diffy Ross added 13 and 12 points, respectively.

The difference in the game turned out to be three points that Barber Scotia scored as a result of a technical foul on Trautwein. Steele hit the technical, then the Sabres scored a basket on the inbounds play.

Winn-Dixie Supporting Economic Plan

Winn-Dixie announced today their desire to support the U. S. economic program.

Executive Vice President Joe A. Adams said, "We will continue our low price policy and will not raise prices unless the product cost to us is increased and, only then in strict accordance with wage-price stabilization regulations."

Adams stated that Winn-Dixie had not raised regular shelf prices since the beginning of the freeze. Our low profit margin permits us to absorb only a limited amount of price increases from the manufacturer without increasing our prices.

Erskine Group Make Quota

DUE WEST, S. C. — Thirteen Erskine college alumni chapters exceeded 95 per cent participation in the 1971-72 Erskine Living Endowment campaign by Homecoming December 4, helping to earn the campaign a \$10,000 challenge gift from 29 alumni, parents and friends of the college.

The challenge gift brought pledges to the campaign to a total of \$160,127, the highest ever for this stage of the drive.

The current campaign is presently \$9,000 ahead of the 1970-71 Living Endowment, which set a record of \$184,997. Since the 1971-72 campaign does not officially end until June, it is almost certain to set a new record for the annual campaign which has earned seven national awards at Erskine.

Things may be going pretty good now. But you never know what tomorrow will bring.

Suppose it's unemployment. How will you live?

What will you use to tide the family over while you look? Excuses?

Let's hope you never have to find out. But just in case, why not start saving now, while you have a "job."

It's an easy way to build a nest egg.

And now there's a bonus interest rate on all U.S. Savings Bonds—for E Bonds, 5 1/2% when held to maturity of 5 years, 10 months (4% the first year). That extra 1/2%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1960... with a comparable improvement for all older Bonds.

With any luck at all your emergency fund may become a vacation, a college education, or a happy retirement.
