**'GETAWAY' DRESS SHIRT COLLECTION
MADE WITH DACRON®**

You know he doesn't have this—it's that new! 'Arrow' does dress shirts in a big way. Longer, wider spread collars, deeper cuffs now with mitered corners. Even a new generous size button placket. Texture and tone in a never-before selection of foulard effects, tapestry illusions, fancied-up stripes. Great looks that get away without ironing—thanks to Dacron® polyester in the blends. 14-17" necks, 32-35" sleeves.
