Yule Lives In Legend And Lore

Twinkling on trees, glowing from windows, glittering everywhere, Christmas lights reflect, today, the candles of an earlier time.

A candle in the window can light the Christ Child on his way, says Irish legend. Nativity scenes in homes and churches depict the animals of the manger—and on Christmas Eve, the cattle, the sheep and all the animals present at the Nativity are given the gift of speech.

Some of the most delightful of legends are told in carols. From France comes the "Carol of the Birds." Its words recount how the birds flew to Bethlehem to behold the Christ child. Each bird, as it flew, sang a special song of praise and rejoicing.

"When Christmas Is Over" will be the sermon topic of Rev. Charles Easley at Sunday morning worship service at 11 o'clock at St. Matthew's Lutheran church.
