

MORE ABOUT BAGWELL

Grover. He attended Kings Mountain high school and plans to enroll in a drafting class at Gaston college. He is manager of Wilson's American Service Station in Grover. Mr. Allen is grandson of Mrs. Pinkie Hardin and Mr. and Mrs. Paul Allen of Grover.

Veterans learning a trade, such as tile setter or plumber, and who are not in a cooperative on-the-job training (OJT) program, should request such training from the VA. OJT is one of the most practical programs under the GI Bill for those not attending college.

Veterans are advised by the VA to keep their families informed on the location of birth and marriage certificates, military discharge papers and other vital documents required in filing for VA benefits.

Martin-Marietta Taps Three

RALEIGH. — Three executive promotions at Martin Marietta Aggregates, southeast division, have been announced by J. R. Brisley, director of operations. The company produces various kinds of crushed stone for construction purposes.

Worth Sellers, who was assistant director of operations, is now production manager, a position that has been vacant for several years. He is responsible on a day-to-day basis for all production at more than 30 plants in Virginia, North and South Carolina and Georgia.

Robert R. Winchester, formerly manager of production services, has been promoted to the newly created position, manager—maintenance and engineering facilities. He is responsible for the preventive maintenance, electrical, engineering and construction departments, and the

Salisbury Shop

Travis H. Tomlinson Jr., who was an administrative assistant, replaces Winchester as manager of production services. He will supervise the grading, trucking and industrial engineering departments.

Sellers, who joined the company in 1954, is a native of Charlotte, but spent his youth in Columbia, S. C. He attended Wofford college and then received his BS degree in mechanical engineering from the University of South Carolina in 1949. He is married to the former Faye Ross of Summerton, S. C.

A native of Greensboro, Winchester joined the company in 1930 as a trainee. He attended Junior College of Augusta, Ga., and received his BS degree in mechanical engineering from Georgia Tech in 1939. He is married to the former Dorothy Dillard of Monroe, Ga.

Tomlinson, son of a former mayor of Raleigh, joined the company in 1971. He earned his BS degree in civil engineering

from N. C. State University in 1969, and the MEA from UNC-Chapel Hill in 1971. He is married to the former Linda Charles of Kensington, Md.

Horse Club To Be Formed

A very important meeting is being held for the purpose of organizing a horse club for the young people of Cleveland county. The meeting will be held on January 31, at 7:30 p. m. in the County Office Building auditorium. All young people between the ages of nine to 19 are invited to attend this meeting. It is not necessary to own a horse in order to participate in this horse club. Ken Bachaus, a professional horse trainer, will be serving as the adult leader for this club along with Mike Pitman, assistant extension agent. 4-H. Parents are urged to attend this first organizational meeting.

Fiber Taps Dr. Barrett

CHARLOTTE. — Fiber Industries, Inc., today announced the election of Dr. Peter T. Barrett as chairman; J. Bailey Phelps as president; and Robert V. Butts as vice president - industrial relations.

Wacha Do With Whacha Got, favorite Disney characters again flood the stage in a very personal welcome to the audience. Goofy also stars in his own production number, "The Used Car Lot" with a Model T filled with comedy surprises and lovable Herbie, the Love Bug.

Tickets priced at \$5, \$4 and \$3 are on sale at the Coliseum Box Office or may be ordered by mail. Youths (16 and under) half price on six performances.

FI, a producer of polyester and nylon fibers, is owned 62 1/2 per cent by Celanese corporation and 37 1/2 per cent by Imperial Chemical Industries, Ltd., of Great Britain.

Dr. Barrett, for the past two years, had been president of FI, which he joined at the time of its formation in 1958 and formerly had served as vice president-Technical director. During six years' previous association with ICI, he served the British firm in various fibers and plastics research capacities.

A native of Yorkshire, England, Dr. Barrett received an MA degree from Cambridge university and did graduate work in physics both at the University of London and Birmingham university.

"DISNEY ON PARADE," the newest concept in touring live family entertainment, presents seven major production numbers based on famous Disney classics and characters in the all-new and different Fourth Edition of the 2 1/2-hour live stage musical arena show opening at the Charlotte Coliseum on January 30 through February 4 for 10 performances.

Disney Show Is All New At Coliseum

"Disney On Parade's" all new and different fourth edition includes seven major production numbers featuring "Mary Poppins," "Bedknobs and Broomsticks," and "The Further Adventures of Pinocchio."

This 2 1/2-hour live stage extravaganza appears January 30 through February 4 at the Charlotte Coliseum for 10 performances.

Presented by Nawal Productions, a partnership of NBC Enterprises and Walt Disney Productions, the new fourth edition of "Disney On Parade" was

more than a year in preparation. A team of "imagineers" carefully again screened Disney films to transform major portions to the world's largest portable stage.

For the second time in the history of "Disney On Parade," a performing act from Disneyland and Walt Disney World will join acts from the great Disney classic films. "Bear Band Jam-boree" brings alive the country-hill-billy bears including Liver Lips, Henry, Big Al and Wendell along with Bonnie, Dubbles and Beulah.

The traditional finale, "It's a Small World" is also taken from the Magic Kingdoms. It is the traditional close to each "Disney On Parade" wherever it appears around the world.

In the opening production number, "How Dee Do," and "It's
