### Leitzel To Speak

and Mrs. Leitzel left for their first term of missionary service in the interior of Surinam. Their jungle mission station is known as Pelgrim Kondre and is the center of a day school for children of outlying villages. Medical help is available for the native people at the mission dispensary. A small herd of cattle is kept by the mission. The primary emphasis is evangelism and the gospel message has had a tremendous impact on the lives of many of the people whom the mission serves.

Missionary Leitzel will tell about the field where he has served, the people and the missionary work being done there. Colored slides will be shown. Curious from the field will be on display.

The Wesleyan church has missionary work in 31 foreign countries. While the major emphasis is placed on gospel evangelism, an extensive medical and educational program has been carried on by the denomination in several areas of this world-wide missionary enterprise.

The pastor cordially invites all in the community to hear Rev. Leitzel.

### Three Hurt In Car Crash

Three persons sustained minor injuries Thursday in a two-vehicle collision at the intersection of York Road and East Gold Street.

According to police reports, a 1965 Buick driven by Patricia Schull Jackson of Route 3 collided with a 1972 Chevrolet pickup truck driven by James Kenneth Downey of 417 Cherokee Street.

Lt. J. D. Barrett, the investigating officer, estimated damage to Mrs. Jackson's car at \$750 and damage to the truck, owned by Western Auto, as \$1,000.

Mrs. Jackson, Downey and Janice Phillips of 906 Grace Street, a passenger in the Jackson car, were all treated for injuries.

Two other wrecks occurred Thursday but neither resulted in bodily injury.

At 2:19 p.m., cars driven by Ronald Keith Parker of 704 Landing Street and Gregory Scott Cooke of 200 West King collided on South Battleground Avenue. Ptl. Robert Dodge estimated damage to Parker's 1964 Plymouth at \$312.44 and damage to Cooke's car at \$25.

At 4:45 p.m., Ptl. Dodge was called to the scene of a two-car accident at the intersection of King and South Battleground.

Dodge reported that cars driven by Veronica Ann Simpson of Shelby and Michael Steven Johnson of 106 West Mountain Street collided, but no injuries were reported. Damage to the Simpson car was listed at \$75 and damage to Johnson's car was estimated at \$350.

A Friday night accident resulted in almost \$500 damage to two cars.

Ptl. L. D. Beattie reported that a 1971 Buick driven by Martha Chaney Rhea of 622 Meadowbrook Road struck a parked car on Meadowbrook. Mrs. Rhea's car was damaged \$375 and damage to the parked vehicle, owned by Roy Lee Dedmon of Shelby, was damaged \$10.

No injuries were reported in a Saturday morning mishap on South Battleground, where cars driven by Nellie Peterson Wylie of Grover and Delbert Gaffney Patrick of 108 Church Street collided. Investigating officer Richard Reynolds estimated damage to the Wylie car as \$250 and damage to the Patrick car as \$300.

An early Saturday morning wreck resulted in almost \$1,000 damage, according to a report filed by Ptl. Ernest Beam.

Beam reported that a car driven by Michael James Huskins of York ran off East King Street, damaging the parking lot of Fashion Cleaners and the home of Mrs. Edna R. Hauser at 303 East King. Beam listed damage to Huskins' car as \$425, the parking lot as \$200 and Mrs. Hauser's home as \$300.

Ptl. M. S. Criswell reported a one-car accident Tuesday morning on West King. Criswell noted that a 1966 Oldsmobile, driven by Amanda Long Hopper of Shelby left the road and struck a utility pole owned by the city. Criswell estimated damage to the car as \$350 and damage to the utility pole as \$134.15.

### Hartman Dies In Collision Of Car-Train

A Rt. 1 Cherryville man was killed in a truck-train collision in Bessemer City Saturday about noon.

Bynum Hartman, 46, was pronounced dead-on-arrival at Gaston Memorial hospital after the soft drink truck he was driving was hit by a train at a crossing just off N. C. 101 near the Lithium Corp. plant.

Bessemer City police reported the truck apparently pulled into the path of the train at a crossing with no gates or flashing lights for warning signals.

The impact separated the cab from the body of the truck. Hartman was thrown out of the cab which came to rest just off the railroad tracks. The rest of the truck was carried about a mile by the train before it could stop.

No charges were made. Funeral services were conducted at 3:30 p.m. at Oak Grove Baptist church in Cherryville with the Rev. Thomas C. Ayers and the Rev. Max Pendleton officiating. Burial was in Rose Hill Memorial Park in Fallston.

A Lincoln county native, he was the son of Mrs. Cletus Carpenter and the late J. P. Hartman.

He was a member and deacon of Oak Grove Baptist church and an employee of Nehi Royal Crown Bottling Co. of Shelby.

Survivors include his wife, Lela Costner Hartman of the home; mother and stepfather, Mr. and Mrs. Cletus Costner of Rt. 2, Lawndale; two sons, James Hartman of Rt. 3, Kings Mountain, and Walter Hartman of Ellenboro; two daughters, Mrs. Ben Hendricks of Cherryville, Mrs. Dean Ramsey of Lincolnton; five brothers, J. D. Hartman of Charlotte, Kenneth R. Hartman of Rt. 1, Shelby, Edward Leroy Hartman of Rt. 2, Lawndale, Blanche Hartman of Rt. 1, Lawndale and Charles F. Hartman of Rt. 1, Cherryville; four sisters, Mrs. Mary Ellen Willis of Rt. 2, Vale, Mrs. Nelda Costner and Mrs. Ruth Hartman Lewis of Shelby and Mrs. Elva Hallman of Hickory; one step-sister, Mrs. Ruby Wellmon of Fallston; and four grandchildren.

### Cruse To Lead Revival Sunday

Chosen from Matt. 9:27 - 30, "Personal Faith" will be the sermon that the Rev. Floyd Cruse of Zirconia, N. C., will preach at 2:30 Sunday afternoon, January 28, at Kings Mountain Woman's Club auditorium, near the post office on East Mountain street.

"Personal Faith" is the story of two men receiving sight and their blind eyes. This happening, if not recorded in the Bible, would likely be doubted today. But it is an account which happened, and by maintaining faith in your personal faith in God, your prayers can be answered as these men's were.

By asking for mercy, the two blind men received miracles which which are the work of God beyond the power of man to perform. As an important element to faith, this message makes known the fact that God reveals His mercy by healing, by opening the eyes of the blind. "For the Lord is good; his mercy is everlasting; and his truth endureth to all generations" (Psalm 100:5). If God's mercy is everlasting, then miracles are everlasting and God's truth endureth to all generations—even to us in 1973.

Supported by the Word of God, this Sunday afternoon message will impart faith truths, which you can possibly have thought about as yet. The Bible so clearly teaches, it will unfold a personal faith that you can apply to your everyday problems of life.

In the past, as it was preached under gospel tents, in auditoriums, and in churches throughout the South, the Northeastern United States and Canada, the message "Personal Faith" has been a new discovery of faith in God for many people according to their own testimonies.

In receiving a miracle, or an answer to prayer, most persons seem to believe that whether they receive or not receive is entirely on the part of God. This sermon uncovers a fact which we need to know: Jesus said: "According to your faith be it unto you." From this scripture we learn that "your faith" will determine defeat or victory.

At this service there will be other truths of faith explained that you should not miss. You will learn why Jesus said, "Believe ye that I am able to do this?" Above all else, it is very important to believe that Christ has an answer to our problems.

As a challenge to you, if you believe Jesus Christ has the answer for you, your loved one or come to this special service, so we can believe together, pray together and share together the blessings of the Lord. Prayer will be offered for the sick according to James 5:13-16: "Is any sick among you? Let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: and the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him."

Special music and singing will be presented by Mrs. Cruse.

### Dover Death Accidental

DOVER DEATH—front accidental death by carbon monoxide poisoning has been ruled in the death Saturday of Jack T. Dover, 29, of Rt. 1, Kings Creek, S. C., according to Dr. Sam Robinson, medical examiner.

Dover was found early Saturday in a car parked on a dead end street just inside the Kings Mountain city limits near highway 216.

Funeral services were conducted at 4 p.m. Monday at Macedonia Baptist church by the Rev. L. D. Scruggs and the Rev. T. A. Lineberger. Burial was at Grover cemetery.

Dover was the son of Mrs. Maybelle Carroll Dover of Kings Mountain and the late James Emmett Dover.

### Cleveland Tech Classes Slated

Cleveland County Technical Institute is sponsoring the new classes listed below beginning at various times during the next two-week period. Should other classes materialize that are not described in this article, they will be announced by the news media in time for interested registrants to apply or enroll.

Beginning Tuesday, January 23, two new classes will begin. From 9:00 a. m. to 12 noon at the Arts and Crafts building of the Shelby city park a class in food buying will be offered. This class will deal in the efficient use of the food dollars for best nutrition, menu planning, grocery shopping, proper use of leftovers, convenient food and proper selection of non-grocery items. Recipes using various foods will be given in each class which will be taught by Mrs. Sandra Daniels, home economist.

Also on Tuesday evening from 6 to 10 p. m. a class will begin on campus in Room 1024 in the National Electric Code specifications. The 80-hour course will meet on each succeeding Tuesday and Wednesday instructed by Thomas F. Phiback. The course has as its purpose to prepare electricians in the certification requirements required by the State Board of Examiners of Electrical Contractors.

On Tuesday, January 23rd, at 7 o'clock in the evening all persons interested in small engine repair classes are urged to attend an organizational meeting in the conference room of the Tech campus. At least two classes are expected to be planned at this meeting and the time and place for each class will be decided as a result of the group discussion.

On Wednesday morning, January 24, from 9:00 to 12 noon, Mrs. Sandra Daniels, former instructor in Hospitality Education at Asheville-Buncombe Tech, will instruct another 18-hour class at the Power Center in weight control. She will emphasize training in the selection of a proper diet for better health, avoiding obesity and related diseases, determining one's proper weight, and how to achieve it and maintain it.

Also, on Wednesday evening, January 24th, from 7 to 9 p. m. in Room 220 at Cleveland Tech, Mrs. Inez Connor will instruct a 12-hour class in Practical Communications in Everyday English. This new course is designed for office secretaries and all adults with everyday communication problems. It will deal with use of the library and reference materials, review phonetics for aid in pronunciation, distinction between slang and standard English usage. Other phases of communication problems will be explored if class members indicate a need for them.

On Monday evening, January 29th, from 7 to 10 p. m., Cleveland Tech will sponsor the first of several radio communications classes for fire departments and rescue units. This class will be held for the Grover and No. 3 units at the No. 3 Volunteer fire department. The 12-hour course will be taught by Frank Huggins Jr. of the Asheville highway patrol district and will deal with proper radio signals and "do's and don'ts" in answering and responding to radio calls.

Other Cleveland county units wishing to have this same course are asked to call their requests to the Shelby Civil Defense Center. A sign language course sponsored by Tech will begin at First Baptist church January 31—6 to 7 p. m. This 18-hour course will be taught by Mrs. Mae Blackwood and end on May 30. This class is designed for persons who cannot hear or speak and, also, for those who wish to communicate with persons with these problems.

A course in human relations for the Community Action agency staff and personnel will begin February 1st, meeting the 1st and 3rd Thursday of each month for a total of 12 hours. Ben Davis will teach the course in the Community Action conference room on these dates from 3:00 to 5:00 p. m.

Vacancies still exist in crewel embroidery, needlepoint and classic photography. Persons interested in these or other classes previously listed are requested to call Cleveland Tech, 482-4378, Extension B.

W-2 Forms Deadline Near

GREENSBORO — The deadline for employers to give employees their 1972 W-2 forms is Wednesday, January 31, 1973. Bob LeBaube, acting director of Internal Revenue for North Carolina, said today.

The form should show earnings, income tax withheld and Social Security information.

An employee has to file a W-2 form from each employer with his income tax return. Therefore, it is important that employers furnish W-2's to their employees by the date required, in order to permit timely preparation and filing of employees' tax returns.

An employer may have to pay a penalty for each W-2 he fails to furnish in time.

### Voters League Hears Mrs. Fryer

"The Political and Historical Background of North Carolina," was professed by Mrs. Milton Fryer at the January meeting of Kings Mountain Women's Voters League. Prior programs have been "City Profile" by Mrs. Burke, and "Long Range City Planning" by K. M. Planning Board Chairman Bob Maner.

Since our legislative bodies are just assembling in Raleigh, a diagram showing How a Bill Becomes a Law was presented to members. It was learned that there are 14 steps from the introduction of a bill until it becomes a law.

The Women's Voter's League is a non-partisan organization working toward informing themselves and others through fact-finding and discussion so that they may better serve their community.

The league meets monthly on the Thursday evening at 7:45 at Mauney Memorial library. Any woman over 18 is invited to become a member. It is hoped that another unit may be organized to meet one morning or afternoon a month to reach those who cannot attend night meetings.

For further information, please write Mrs. Thomas Fryer, 739-211, or Mrs. Milton Fryer, 739-123.

HOW A BILL BECOMES A LAW

1.—After the preliminary business of opening a session, the presiding officer (the Lieutenant Governor in the senate and the speaker in the house) calls for the introduction of a bill.

2. Any legislator may then read and be recognized. He then takes a manuscript to the reading clerk.

3. The reading clerk stamps a number on the face of the bill and reads the bill by title only. (This is called the first reading of the bill).

4. The presiding officer assigns the bill to the proper committee.

5. In committee the bill is read and discussed.

6. Public hearing is held upon request of interested persons.

7. The full committee may (a) report it favorably with or without amendment, (b) report the bill unfavorably, (c) report it without prejudice (that is, without any recommendation), or (d) draft a substitute bill and return it to the house.

8. Each chairman reports to the house or senate on the bills which have been referred to his committee.

9. When a bill comes up on the calendar, it is read again by title only. This is the second reading.

10. Then the bill is debated on the floor of the house or senate.

11. Next, the bill is (a) postponed, (b) passed, (c) defeated, (d) amended and passed, or (e) amended and defeated. If the bill passes, it is said to have passed its second reading.

12. The third reading (by title) may take place immediately. If the bill passes its third reading, it is ready to go to the other house where it goes through the identical process.

13.—If the second house also passes the bill, it is ordered to be enrolled by the Secretary of State who presents it to the presiding officers.

14. At the moment when the bill has been passed by both houses and signed by the presiding officers (signing is the act of ratification), the bill becomes a law, although it may or may not go into effect until later.

### Convert Refund Into Bonds

An unusual opportunity to convert 1972 federal income-tax refund checks into U. S. Savings Bonds was announced today by Bland W. Worley, state chairman of the bond program, and president, the Wachovia corporation.

"The treasury is estimating that this could be the largest tax refund year in history," Mr. Worley said. "With \$22 billion going to some 58 million recipients—an average of nearly \$400 apiece.

"The U. S. Savings Bonds division, through the cooperation of the Internal Revenue Service, provides immediate opportunity for those recipients to convert their refund checks into bonds. A special bond application form is being mailed, with instructions, along with each tax refund check. Persons wishing to turn their refund checks into bonds, need only fill out the form, taking it along with the check to the nearest savings bonds issuing agent—most likely the bank. There, bonds in the specified amounts will be issued promptly.

"This timely opportunity," Mr. Worley continued, "permits individuals to buy bonds in the amounts desired, in a manner convenient for both the purchaser and the issuing agent. We encourage the citizens of North Carolina to use their tax refunds to add to their own security, buying Series E Savings Bonds when they help to maturity."

All three cars were packed in the student parking lot of Kings Mountain High School.

### Thieves Take Tape Players

Tape players and tapes in parked cars at Kings Mountain High School continue to catch the eyes of thieves.

Kings Mountain police reported Wednesday two more incidents of stolen stereo equipment, running the list to three in the past two-week period.

Both incidents this week occurred on Monday, sometime between the hours of 8:30 a.m. and 3 p.m.

Michael Howell reported that someone unlocked the door of his 1965 Chevrolet and removed one tape player and a box of tapes, valued at \$200.

Carlton Julius Payne of Grover reported that someone unlocked the door of his 1966 Chevrolet and removed a box containing 19 tapes, valued at \$150. Police said the thief or thieves also attempted to steal Payne's tape player but were apparently frightened away. Police said the thieves had removed all but one of bolts holding the tape player.

Last week, Wayne Cook of Kings Mountain reported that someone pried open a window on his wife's car and removed a tape player and three tapes valued at \$60.

All three cars were packed in the student parking lot of Kings Mountain High School.
