

# KM High Football Practice Begins On August 5

Kings Mountain High's footballers open pre-season practice a week from today at John Gamble Stadium. Coach Bob Jones said all 10th, 11th and 12th graders planning or playing either varsity or junior varsity football this fall should report to the field house for physicals on Aug. 3 at 5:30 p. m.

The Mountaineers will practice in light equipment for six days, then go into heavy workouts on Thurs., Aug. 12. Jones said the team would hold two-day practices whenever possible.

The Mountaineers have several players returning from last year's 4-5-1 club, but the veteran KMHS mentor says the team still will have several key positions to fill. "All positions are wide open," he says. "We lost some good ballplayers, we

have some good ones returning, and we hope all of the young boys that helped the junior high win the conference championship last year will come out.

"I feel like we have enough players back to form a good nucleus," Jones continued. "But we still need some help. We lost most of our ends and defensive backs, and we won't have too much depth at running back. "We're real optimistic," he continued. "Five or six of our returning players

are some of the best players we've had since I've been here. If we get some of the young boys out we can have a good football team." Although it's much too early to make predictions, Jones says this year's club could be the best KMHS has fielded since he took

over as head coach in 1971. "We can start nine players that started on defense last year," he said. "Our defense showed a lot of improvement toward the end of the year. It wasn't too good at first. We couldn't keep anybody from scoring. "Depth has always been

a problem for us," he went on. "This year, we're going to try to play as many boys as we can. But we'll still have to have some good boys. "One thing that's working in our favor is that we'll have more time to get ready," he said. "We're starting our season a week

later and we're dividing the coaches up where every boy will get a lot of work and get individual coaching." Jones, has assigned new coach Dan Brooks, a former Western Carolina assistant, the offensive line

## KM Softballers Florida-Bound

Kings Mountain's 9-10 year old boys softball team will be representing North Carolina in the national tournament beginning a week from today at Satellite Beach, Fla.

The local entry earned the trip to Florida by winning the state tournament here last weekend.

The youngsters will leave Kings Mountain Community Center at 8 p. m. on Aug. 5 and will play their first game in Florida on Fri., Aug. 6. The pairings for the tourney have not yet been announced.

Meanwhile, the recreation department is trying to raise money to help send the team to Florida, and anyone wishing to donate is urged to see Roy Pearson at the community center. Pearson said the team must notify national tournament officials by

July 31 as to whether or not it will be coming to Florida "and if we don't get enough money we won't get to go," Pearson said. "I'm sure the boys would appreciate any help they can get."

The team will be staying at the Host of America Hotel in Melbourne, Fla. The hotel's phone number is 305-723-5320.

The locals didn't have any trouble coping the state title here, polishing off Mills Rivers 7-3, Henderson 23-9 and Mills Rivers again in the finals 12-7.

Dana Camp had a perfect tournament at the plate, going 8-for-8, including a home run and two triples.

KM scored six runs in the first inning of their opening 7-3 win over Mills Rivers and the locals obtained six of their 15 hits in that uprising.

An 11-run third inning, highlighted by Camp's triple, keyed the 23-9 win over Henderson in the semi-finals and the locals scored five runs in the seventh inning in the championship win over Mills Rivers. Camp's second triple of the tourney was again the big blow in that game.

Kings Mountain's team roster includes Mark Champion, Cage Ethers, Jay Schronce, Jeff Lynn, Bobby Huffstetter, Bobby Smith, David Peeler, Joey Wyte, James Rikard, Dana Camp, Tommy Hinson, David Bolin, Duwayne Williams, Ricky Greene, Russell Van Dyke, Bobby Heath, William Short, Steve Lall, David Faucette and Carvin Petty.

Coaches are Bubbles Pearson and Leonard Smith.
