

Wanted: AL Troop Members

Wanted: new members for Boy Scout Troop 418 sponsored by American Legion Post 135. Prospective Scouts should be age 11 or have completed Fifth grade in school. This is the message of Scoutmaster Wallace Stawis, who invites all prospective interested Scouts to attend the troop meetings at the American Legion on second and fourth Monday nights at 7 p. m. Scoutmaster Stawis said parents are also invited and that Assistant Scoutmasters are badly needed.

NAMED CHAIRPERSON - Mrs. Susan Robillard of Cleveland Tech teaching staff has been named to head a Curriculum Articulation Committee to develop two and four year programs.

Susan Robillard Is Named Chairperson

Mrs. Susan Robillard, police science instructor at Cleveland County Technical Institute, has been named chairperson of the Curriculum Articulation Committee by Dr. Reed Adams, president of the North Carolina Association of Criminal Justice Education (NCACJE). The Curriculum Articulation Committee's concern is the articulation of two and four year programs. To accomplish this the 10-member committee divided into two subcommittees. The Model Curriculum Subcommittee will establish a model curriculum for associate and baccalaureate degree programs that is consistent with the guidelines of the N. C. Joint Committee on College Transfer, the Standards of the Academy of Criminal Justice Sciences, the Statement of Purpose of NCACJE, and adopted Position Papers No. 1, No. 2, and No. 3.

The Subcommittee on cooperation will address the broad problem of increasing communication and cooperation between two four year programs. Two other police science personnel Ron McKinney, department head and Dave Mobley at Cleveland Tech were appointed to the Ethics Committee of the NCACJE. This committee is to make a status report to the association at its next annual meeting. The criminal justice program is once again using the expertise of Cleveland Tech since the Cleveland Plan, the instructional format used by many of the two year programs in the N. C. Community College System, was developed by Ron McKinney and his associates.
