The refreshment table, highlight of decoration, was overlaid with floor-length cloth of white lace and held a silver candelabrum at the center with white tapers and red and silver arrangement. A three-tier all-white cake at one end of the table was topped with bride and groom figurine and topped with silver 25. A silver punch bowl at the opposite end of the table held strawberry punch. Silver appointments held sandwiches, cheese straws, and mints.

The dining room and den were festive in red and white candles and Christmas arrangements.
