

North Students Study Japan

The 22 members of Mrs. Sara Adams' second grade at North School completed a two month study of Japan last week by modeling kimonos and displaying Japanese lanterns, fans, kites and a cherry blossom tree which they made.

The students also cooked fish and rice which was enjoyed by the students, teachers and parents who attended the Friday afternoon program.

Students taking part in the study included Mary Jo Lovett, Diane Goins, Renee Pressley, Rodney Boheler, Lee Putnam, Gene Simpson, Nelson Roper, Kevin Short, Larry Bradford, Leslie Carrigan, Mary Barrow, Angela Pack, Ashley Allison, Candy Slayton, Patricia Short, Deborah Wood, Dorna Pack, Tammy Runyans, Ricky Willis, Dennis Webb, Scottie Camp and David Nance.

Visiting Hour

Policy Changed

New visiting hours at Kings Mountain Hospital permit uninterrupted visitation from 10:30 a. m. until 8:30 p. m. seven days a week.

The new policy went into effect Sunday. Hospital spokesmen said the new plan will alleviate crowded conditions in the waiting rooms and parking areas.

The card system will still be utilized with only two visitors allowed per patient, said a hospital spokesman.
