

# Apprenticeship Month

The month of August is Apprenticeship Month and Mayor John H. Moss has signed proclamation. It reads:

## PROCLAMATION— APPRENTICESHIP MONTH

Whereas the United States of America, the State of North Carolina, and the City of Kings Mountain must keep pace with the ever advancing and changing industrial techniques of production that are essential in maintaining world leadership in the betterment of life for all people, the development

of this City's skilled craftworkers is of vital importance to the continued economic growth of our City, State and Nation; and

Whereas the challenges presented by growing scientific and technological knowledge, accompanied by growing demands upon limited natural resources require a concomitant growth in the versatility and competence of Kings Mountain's skilled craftworkers; and

Whereas the North Carolina Department of Labor working with the Bureau of Apprenticeship and Training of the

United States Department of Labor seeks to help achieve, through cooperative efforts, a highly skilled work force capable of meeting the City, the State, and the National economic and security goals; and

Whereas the North Carolina Department of Labor and the Bureau of Apprenticeship and Training bring together and stimulate those responsible for training to provide equal opportunities for all qualified individuals to acquire needed skills without regard to race, creed, sex, age, ethnic origin, or physical

handicaps, thus increasing the employment opportunities, learning abilities, and economic security of the individual worker, and

Whereas the National Apprenticeship Act was approved on August 16, 1987;

Now, therefore, I, John Henry Moss, Mayor of the City of Kings Mountain, do hereby proclaim the month of August 1, 1977 as Apprenticeship Month.

I urge Kings Mountain's employers and union organizations which are not now training apprentices to take appropriate steps to assure the development of skilled workers in our community; and I urge those organizations which are now training apprentices to strengthen and expand their programs.

I invite all appropriate city agencies and the people of this city to participate actively in the observance of National Apprenticeship Month.

In witness whereof, I have hereunto set my hand and caused the Seal of the City of Kings Mountain to be affixed.

John Henry Moss  
Mayor  
City of  
Kings Mountain, N. C.

Fire Guts

Mobile Home

A mobile home on Phifer Rd. was gutted by fire Monday night and loss of building and contents were estimated at \$12,000, according to Kings Mountain Fire Department.

The family, except for a son, was away at the time of the fire which occurred about 8:30 p. m. The home was occupied by the family of Jim Kiggins and was owned by Cecil Owens.

Origin of the fire was believed to be an overturned electric lamp.

Volunteers from Bethlehem Fire Department and Kings Mountain Fire Department answered the call.
