

**SOUTHERN SCOUTS CELEBRATE AT JAMBOREE** — Scouts from throughout the Southeast Region of the Boy Scouts of America gather for a regional sub-camp program at the 1977 National Scout Jamboree. The Southeast Region is one of six regions within the B.S.A. The tents in the background represent one of hundreds of "tent communities" making up one of the world's largest "tent cities."

**SCOUTS LEARN BY DOING** — An Army Corp of Engineers' surveyor shows a Scout how to read a boundary marking as part of the National Scout Jamboree Merit Badge Mid-way. Over 60 different merit badges are displayed and available for the more than 30,000 Scouts to experience while the boys gather at Moraine State Park, Pa.

#### Features

- 19-inch in-line black stripe picture tube
- Electronic Eye automatically optimizes picture
- EE override gives preset standard brightness, contrast and color
- Detent channel selectors for both VHF and UHF for easy tuning
- Automatic Fine-tuning with manual override option
- Scene Control for more easily distinguishable detail
- Aperture Compensator Control (APACON) ensures clear-cut pictures
- Instant ON (with defeat SW)
- Color and Tint controls with click positions for standard color let you fine-adjust to get the picture you want
- VHF rod antenna and UHF loop antenna provided

- Electronically advanced with the best in solid state components
- Backed up by JVC's 24-month warranty covering parts and labor

#### Specifications

Type: All Solid State, Table Type  
Viewing Area: 19 inch diagonal (185 sq. in.)  
Picture Tube: In-line Black Stripe  
Transistors: 29  
Diodes: 25

ICs: 5  
Power Source: AC 120V, 60Hz  
Power Consumption: 85W  
Audio Power Output: 1.5W  
Speaker: 4" x 6"  
Channel Coverage: VHF 2-13, UHF 14-83  
Antenna Input Impedance: 300Ω balanced & 75Ω unbalanced (with F connector)  
Dimensions: 18-5/8" H x 25-1/2" W x 18-1/4" D  
Weight: 59.4 lbs.  
Accessory: UHF Loop Antenna

### Jamboree In Full Swing

Scouts Jerome Creach, Jim Tiddy, and Clark Sanders from Cleveland County are currently taking part in the National Scout Jamboree at Moraine State Park in Tenn.

"We have been involved in activities from all over the country," said Jim Tiddy of Shelby. "We have also been trading patches, meeting scouts from other nations and from our own nation." "We have also had the chance to compete with other patrols for bronze, silver, and gold medals."

Clark Sanders, said, "My patrol did real well in the Liberty Bell Race!" We had a lot of fun.

The scouts from this area are members of the Piedmont Council, Boy Scouts of America contingent." Thirty-six scouts and leaders from throughout the eleven-county district area are participating in the week-long national event.

Over 30,000 scouts and leaders have gathered for what many claim is the greatest scout show in the world."

When interviewed, Piedmont council contingent scoutmaster David Rutledge of Crouse, said "The boys will be involved in activities such as log sawing, marksmanship events, orienteering, fire by friction metrics skill tests, and fire by friction and fire by flint and steel." "If a scout wins an event on the sub-camp level, he completes on the regional level then the national level."

"The aqua ties program has been the largest run water front I have ever seen," said Jerome Creach. There are 100 rowboats, 200 canoes, and 75 Sun-flower class sailboats for us to use." Lake Arther has six beaches for us to swim on and over 200 waterfront staff members to make sure no accidents happen."

Jamboree troops set up booths at the "county fair" to show off their skills in events in cooking, pioneering, sports, and first aid. "Our troop had a booth on mountain toys and mountain music," explained Creach.

"The best part of the Jamboree," said Jim Tiddy "is meeting scouts from all over the country." We trade patches, talk, work together in events, and really get to know one another." "After all, that is what scouting is all about . . . learning about people and how to work with them," Clark Sanders added.
