Paska's Performing Pachyderms! That is the ringmaster's way of introducing Rick Paska and the herd of performing elephants with Hoxie's Great American Circus. This famous big top arena, complete with elephants and all, is coming to Kings Mountain on Oct. 12 with 6 p. m. and 8:15 p. m. performances at Nation Chevrolet Property on York Rd.

Rick Paska recently appeared on the Mike Douglas TV Show with Myrtle, the largest per-

forming elephant in the world. Rick has a great love and talent for training the large pachyderms, as well as smaller animals. In addition to his big elephant act, Rick is presenting a new mixed animal act for 1977 with Betty the baby elephant of the herd, Omar, the baby camel, a pony, and a monkey. This new display promises to delight and amuse children of all ages.

Rick is assisted in the big elephant act by his lovely wife, Valorie, who also stars in the aerial ballet.

Hoxie's Great American Circus for 1977 is featuring the only seal act with any circus in America. Be sure not to miss this educational and entertaining act. In addition, there is Miss Jennier on the high trapeze; the Billy Gunga Family from India, with sensational balancing feats; Buck Nolan the world's tallest clown; Jim Royal and Company. The Kings Mountain Optimists are selling advance tickets now at reduced prices. They advise buying tickets for this Happy Circus Holiday before circus day in order to save money, and to help
