\*Based upon distribution of 2,300,000 game tickets

Super 7 Jackpot is being played at 30 participating Lowe's Food Stores, Inc., markets in North Carolina. Each ticket has an equal, random chance of winning an instant prize up to \$777.77. A prize fund in an aggregate amount of \$75,000.00 has been established and in no event will more than that amount be paid. Game is scheduled to terminate August 18, 1979, but officially ends when all tickets are distributed or when prize fund is exhausted, whichever occurs first. Odds are constant but number of winners in each category will be updated after the first 30 days of the game.
