

ANN CHILDERS

VIC CROWLEY

## Win In 4-H Fair

Three Dixon Community 4-H'ers were Champions in the recent 4-H Achievement Fair, copping purple ribbons and cups.

Ann Childers, daughter of Mr. and Mrs. James A. Childers and

president of the club, won the gold cup as the county 4-H'er compiling the largest number of points in the Fair. She displayed macrame, a model home with solar energy, rug hooking, sewing, pottery,

dollmaking, woodworking, and refrigerator ornaments. She is a rising ninth grader at KMJH.

Heather Crowley, daughter of Dr. and Mrs. Richard Crowley, won a silver cup as runner-up with the largest number of points accumulated for flower arranging and receiving two first place awards, one blue, four red and one purple champion ribbon for her efforts. She is a rising 9th grader at KMJH.

## Programs Set

Friday and Saturday evening programs continue at the Kings Mountain National Military Park June 22 and 23. The programs, held in the Park's amphitheater, begin at 8 p.m. on Friday and 9 p.m. on Saturday and are open to the public free of charge.

Friday, June 22, Dr. Joseph Talley of Grover, offers you a chance to overcome your fear of snakes by learning about some of this area's more prevalent ones. Dr. Talley (one of the most popular evening speakers at the Park) combines humor and mountain folklore in an attempt to dispel popular misconceptions about snakes. Come early to get a good seat.

The program will be introduced by Jeanne Gold, a rising senior at the

University of South Carolina majoring in elementary education. Ms. Gold is in her first summer of seasonal employment at the park.

Saturday, June 23, Chuck Boettcher, a permanent ranger at the park, will present a slide program about New Mexico's Carlsbad Caverns. Before accepting his position at the Kings Mountain National Military Park, Mr. Boettcher served as an interpreter at the Carlsbad Caverns National Park.

Also, on Saturday and Sunday afternoons, a small Revolutionary War Campsite will be set up near the Visitor Center. Musket and rifle firing demonstrations are scheduled for 1, 2, 3, and 4 p.m. All programs are open to the public free of charge.

Vic Crowley, son of Dr. and Mrs. Richard Crowley, won a purple ribbon as a champion in photography and displayed his prize-winning photo. He has presented several demonstrations on photography for club members. He is a rising seventh grader at Central School.

Other 4-H'ers honored with medals and certificates for programs completed: Amy Greene, Tracy Horton, Cassie Stewart, Linda Wells, foods and nutrition; Andy Berry, health record book; Gretchen Osborne and Ann Childers, crafts; John and Jeff Hughes, livestock; and Ann Childers, dog care and photography. The county-wide competition attracted a record number of entries.

## Youth To Lead Worship Service

Youth of the church will have charge of the worship services Sunday, June 24 at First Baptist Church, Kings Mountain.

Key offices are filled by young people who will sing, teach Bible classes, serve as deacons, give

testimonies, as well as serving as ushers.

Sunday evening "Angel Winds," two young men who present the gospel in song and testimony, will give a program for the entire church. These young people will

travel through the summer over a wide area. During the rest of the year they attend college at Brevard. They have sung with the Pat Terry group and Erv Lewis, and appear at schools, coffeehouses, colleges, and churches.

## Wreck Causes Injury, Damage

A freak four-vehicle wreck last Friday on U.S. 74 near Kings Mountain resulted in the injury of one person, over \$13,000 in damages and blocked traffic in both lanes.

N.C. Trooper L.W. Blanton said that a dump truck operated by Ronnie D. Perkins of Rt. 4, and a van driven by Rebecca E. George of West Gold St. collided at 11 a.m.

The collision, according to the officer's report, knocked the driver of the van from the driver's seat and sent the vehicle

traveling west down the east-bound lane of U.S. 74. The van travelled approximately 525 feet before colliding with cars operated by Elizabeth W. Johnson of Rt. 2 Shelby and Charles F. Styers of Katherine Ave. The van continued moving until striking a curb and flipping on its side, according to Trooper Blanton.

Ms. George was hospitalized at Kings Mountain Hospital. Perkins was charged with failure to reduce speed.
