## Kindergarten Screening Slated

Children who will enter kindergarten this fall will be involved in a screening program at their respective schools in May. To be eligible the child must be five years old on or before October 15, 1983 and must be a resident of the school district.

The screening will be conducted by a team of school personnel including teachers, psychologists, speech therapists, the school nurse, the social worker, and the principal at each school. Three sessions are planned for each day with fifteen children screened at each session. The first group will be screened at 8:30 a.m., the next at 10:30 a.m., and the last at 1:30 p.m.

Parents should contact the school in their district to secure a registration form and make an appointment for the screening. Appointments are made on a first-come first-serve basis. If the parent does not know which school his child will attend, call the District School Office, 739-4589, for that information.

Screening sessions will be held as follows: Bethware, May 2-3; Grover, May 4-5; West, May 6; North, May 9-10; East, May 11-12.
