Spell-A-Thon Is Huge Success At Central

Spelling for dollars? No, it isn't a new game show but what Central School students did during the recent Spell-A-Thon.

Students were given a list of

200 words to learn. They collected pledges for each word they could learn to spell. Language Arts teachers gave a written test to all students who then collected the pledge money.

The Spell-A-Thon was a huge success netting \$3,093.84 for the Language Arts Department. The Language Arts teachers would like to thank all students, parents and other citizens who supported this project.

ported this project.

Rusty Carringer, a seventh grader, collected \$241.60 winning the first place prize of \$15. Donna Biddix, sixth grader, col-

lected \$124.41 winning the second prize and seventh graders Leslie Dover and Angela Ross each collected approximately \$83 earning the third place prize.
