Please accept this invitation to quote on these lines of insurance of the City of Kings Mountain, North Carolina.

In all instances except where otherwise noted, the named insured shall be the "City of Kings Mountain, North Carolina".

Specifications are listed by category of coverage with descriptive underwriting and rating material attached to each category. Any reasonable request for additional information will be honored. All quotes shall be valid for ninety (90) days.

It is desired that each quote be listed individually by coverage but that each agent or company quoting quote all required coverages if possible. Failure to quote all coverages will not automatically rule out an individual quote but preference will be given to those who quote all needed coverages.

While quotes for each coverage should be listed individually, each person quoting should take every advantage of packaging, dividends, etc., to reduce the overall cost as much as possible. It will be assumed that each quote stands on its own and can be purchased separately at the quoted price, unless specifically noted to the contrary on the quote form in writing. It is necessary that you identify any premium that is contingent upon the purchase of other coverage or included as a part of a package policy. All

deviations and/or dividends where anticipated should be identified.
