building program. The new roof would be of wood truss/shingle and would cost \$9,000. The improved covered brick arcade and entrance would cost \$5,000 and the 25 feet by 25 feet storage addition was estimated to cost \$12,509. The Board decided to add a new brick veneer on the north and south walls of the existing building and to add new concrete walk/entrance at the front of the existing building.

During a budget work session, the Mayor pointed out that a tentative budget lists \$158,048 in the general fund, \$37,464 in the utilities (water) fund and \$56,419 in the sewer fund. McCarter said there will be no increase in taxes, that the 33 cents per \$100 valuation tax rate will remain the same under the proposed budget.

McCarter reported that about one fourth of the rights-of-way have been purchased for the town's new sewer system at a total cost of \$7,855. He estimated that the rights-of-way will cost approximately \$50,000 when completed.

Replying to question of former commissioner Harold Herndon, McCarter said the town had "no plans at the moment to extend water outside the city limits." Herndon said that persons living in the city limits who need streets and water pay Grover taxes and should be considered before "outsiders."

The Board approved \$4,000 in capital outlay funds for the Grover Fire Department and said work would begin immediately on remodeling of the kitchen in the fire department. The Board also approved payment of \$7500 to Shelby appraiser Ralph Gilbert who appraised 65 parcels for sewer system right-of-way; \$643.71 to Randle Brothers for grading and culverts in Spring Acres; \$1200 for food for the Town Birthday celebration and \$778 for a D5 tapping machine, which includes a 3/4 inch bit and drill holder.

McCarter reported that donations from the Town Birthday Celebration were

equally divided between the Grover Fire Department and the Grover Rescue Squad which received \$156 each. A check for \$10 was drawn to the Town of Grover from G.S. Martin and applied to the general operating fund.

The Board approved the appointment of Quint McCoy and Kay Howell to serve on the Town Board of Elections upon recommendation of the Elections Chairman Clyde Randle.

A public hearing on a proposed Town Recreation Park was set for Monday, June 24 at 7 p.m. Mayor McCarter suggested that letters go out to residents asking them to attend the meeting and decide if they want to spend upwards of \$75,000 for a new recreation park which has been an "educated" guess by city officials. McCarter said the "hold up" has been the delay in report of an archeological survey which has been promised since Feb. 28. He said it would be another month before that report could be in hand.

ROTARY BENEFIT SATURDAY-A big yard sale, auction and bake sale will be conducted by the Kings Mountain Rotary Club Saturday in the old Belk Building for benefit of the annual scholarship program. From left, Brad Jones, Charlene Reece, and Stephanie Moss, all recipients of the 1985 Rotary Scholarships, Rotary President Jim Cloninger, and Tom Trott, Wade Tyner, and Ronnie Franks, all Rotarians serving on the projects committee.

Rotary Auction Saturday

The biggest yard sale and auction ever assembled under one roof is promised by the Kings Mountain Rotary Club for Saturday morning, beginning at 9 a.m. in the old Belk building downtown.

According to Rotary President Jim Cloninger, the majority of the proceeds will go toward Rotary charities and three \$500 scholarships for deserving seniors at Kings Mountain Senior High School. The three scholarship recipients, Brad Jones, Charlene Reese and Stephanie Moss will assist in the all-day event. Jones will be a freshman student at the University of North Carolina in Chapel Hill in the Fall, Reese will attend Warren Wilson College as a freshman and Moss will be a freshman stu-

dent at the University of North Carolina at Charlotte.

Citizens and businesses willing to donate merchandise for the auction should contact Cloninger at 739-2956 or call Greg Birkovich at 739-9781.

Joyce Dixon will serve as auctioneer for Rotarians and among items "up for grabs" are bikes, cameras, rockers, antique furniture, a two stage hydraulic pump for a log splitter, pictures, and many more items.

Wives of Rotarians will have baked goods for sale to the public during the event.

"We hope that everyone will come out Saturday morning, have a good time with us, and support the various community charities that Rotary sponsors in Kings Mountain" said President Cloninger.

JUNIOR AWARD WINNERS-Pictured are Kings Mountain Senior High Juniors who received awards during KMSHS Awards Day Monday. Front row, from left, Donald Mauney, Susie Moore, Karen Biddix, and Miranda Arrowood. Back row, from left, Edie Herndon, Matthew Bradshaw, Lynn Starr and Chip Caldwell.
