# WE HAVE SOME PEOPLE AT WATSON INSURANCE WHO DON'T SELL INSURANCE.

Instead, their job is to convince the insurance companies to provide Watson's customers the best possible coverage at the lowest possible rates. So in effect they work for you. And they work hard. Because insurance rates nationwide have skyrocketed, due to the large number of claims being filed. But Watson's professionals have a lot of clout with these companies. Because Watson has a lot of customers. And insurance companies need customers. Which is why our customers are our top priority. Not insurance companies.

So if you need coverage of any kind, give us a call. We'll make sure you get the best insurance at the lowest possible rates.

Gastonia Telephone 865-8584. Offices in Belmont, Lowell, Mount Holly and Cherryville.

# A Real IRA Opener.

You don't have to have \$2,000 lying around to open an IRA at BB&T. In fact, if you can set aside \$100 or more by April 15th, you can open a BB&T IRA and take the entire amount of your contribution as a deduction on your tax return for 1985.

### You Name The Terms.

A BB&T IRA is not only easy to open, it's easy on your budget, too. There are no hidden start-up costs. More importantly, the amount of money you decide to contribute each year toward your retirement, up to the maximum allowable \$2,000 deduction, is totally up to you.

For example, you could make a deposit once a year. Once a month. Even skip months. Whatever works best for you is the idea behind the BB&T IRA.

### You Pick The Plan.

You have the same kind of latitude in choosing how you

want your money invested. We have a wide range of investments to choose from, including both fixed and variable rate options.\*

Through our discount brokerage service, we also offer a self-directed plan which allows you to invest in mutual funds, stocks, and other securities. In addition, we make the extra effort to help you make the choice that's right for you.

### You Get The Security Of The FDIC.

One final point. When you open a BB&T IRA, your account is insured separately to \$100,000 by the FDIC. If you want the deduction for 1985, however, the important thing is to get started right away. Because there's a time in your life for a BB&T IRA. And that time is now.
