mained with the 366th Infantry until March 28, 1945.

He went overseas with the regiment in March, 1944 and after 15 months with the 15th Air Force, the regiment was assigned to the Fifth Army and attached to the 92nd Infantry Division. During the Rome-Arno and North Appennines campaigns Colonel Chase commanded the first battalion of the 366th Infantry. He returned to the United States in November, 1945 and was assigned to the Infantry Replacement Training Center at Fort McClellan, Alabama.

Colonel Chase returned to the European Command in November, 1946 and was given command of the 6975th Infantry Regiment. He was later assigned to the Provost Marshal's Office, EUCOM, as chief of the Field Contact Section. In this capacity he made extensive field trips in an effort to curtail the high venereal disease and serious incident rate among troops in the European Command. He served in this capacity until he was given command of the transportation unit. Colonel Chase will complete 24 years' military service, active and reserve, in June. He holds the permanent rank of colonel in the Officer's Reserve Corps.

Colonel Chase was recently awarded the Army Commendation Ribbon by Lieutenant General Clarence R. Huebner, Deputy Commanding General, European Command, for outstanding service in connection with the Berlin airlift.

and progress than the church. With the publication of this issue, we have gotten down to serious business and work of trying to give the reading public one among the best publications of this to be found anywhere. We are also happy to inform you that beginning with this issue, Prof. J. O. Gibbs, founder-principal of Grahamtown High school in Forest City will again write a monthly column for our feature (2) page. In a course of time other writers and workers will be added, however we shall as much as possible use local people in this section of North Carolina. We realize clearly that what we help make here, the same helps to make us. We should all work hard to build our own section, rather than worry about some other place.

Are you economy minded? Do you want to save money? If so, read the advertisements in this paper carefully, and go take advantage of the many bargains offered to HERALD readers.
