

Rash Of Accidents Cause Heavy Damage, Injuries

Six wrecks in a three day period have been listed by the Kings Mountain Police Department.

John Allyn Cheshire, 75, of 9 Country Club Road and John Frank Styers, 64, of 701 Lee Street were involved in an accident Wednesday at 7:20 in the morning. The report by Patrolman Robert Dodge stated that Styers had stopped for a light on Waterson Street. When the light changed, Styers proceeded south and Cheshire hit him in the right side coming down West King. Styers was taken to KM Memorial Hospital and was treated and released. Damage to the Cheshire 1961 Buick was listed at \$600 and Styers 1966

was damaged \$1000 worth.

A one car accident occurred Wednesday at 11:24 p.m. on south Battleground Avenue approximately 100 feet south from Falls Street toward Dickson Street. John Robert Blanton, 23, of 202 Louisiana Avenue in Bessemer City was charged with reckless driving after running off the right side of Battleground. Ptl. Richard Reynolds investigated the accident and said Blanton was traveling north on Battleground Avenue when he stepped on the gas and accelerated. He lost control and ran off the road, striking a utility pole and sign. Damage to the 1957 Chevrolet Blanton was driv-

ing was estimated at \$175 and damage to the pole and sign was listed at \$25.

Mary Ann Gladden of Box 715 York Road in Kings Mountain was treated and released from the Kings Mountain Hospital following an accident Wednesday morning at 9:03. According to a witness, Mary Ann got out of her step father's truck on York Road, 100 feet south from Charles Street and ran around the back and into the path of William Arthur Zachary, Sr. Mr. Za-

chary of 223 Westwood Apartments in Marion, N.C. struck the child. No charges were listed.

Following too close was the charge levied against Thomas James Smith, 26, of Route 1, Grover, after an accident Thursday at 3:33 p.m. According to reports Sue Blanton Huffstetler, 27, of Box 726, Paw Creek, N.C. was stopped at the light on East King Street about 150 feet west from Gaston toward Battleground, when Smith hit her car

in the rear end. Estimated damage to the Huffstetler car was \$100 and \$800 damage was done to Smith's car.

A mishap at the intersection of Temple and Walker Streets left more damage to a stop sign and a street sign than to the car involved. Officer Johnny Belk reported that Dora Hendren Whitley, 25, of 614 Temple Street attempted to dodge a dog in the road. She swerved and ran off the right side of the road and struck the signs. Damage to her 1965 Cadillac was listed at \$10 and damages to the signs were listed at \$32.50.

Never worry about the course of events; just be sure you are right and hold to your faith.

When you get right down to it, most people have their own little racket, well camouflaged.

The hot sun makes men mad in the daytime and the romantic moon makes them foolish at night.
