## GED Examination Scheduled At Tech

The monthly GED examination is scheduled at Cleveland Tech on Friday, Oct. 5 from 1 to 6 p.m., and will continue Saturday, Oct. 6, from 9 a.m. to 2 p.m. Both sessions are required in order to complete the test, and any North Carolina adult 18 years of age or older is eligible to make application.

The examination tests knowledge and understanding of correct writing skills, social studies, science, reading skills, and mathematics. Upon successful completion of the examination, the adult will be issued a high school diploma equivalency certificate by the NC State Board of Education.

Satisfactory scores are

permanently on file at the state GED office. Incomplete or unsatisfactory scores are valid for retesting for a five year period.

A GED preparatory program is available, but is not required. This is a self-study, self-paced program. There is a \$5 fee for the GED testing service. This fee is collected by Cleveland Tech's business office at 12:30 p.m., on Friday, Oct. 5. The receipt along with proper identification will serve as admittance to the testing session.

Applications to be tested or re-tested must be made by Friday, Sept. 28, to Mrs. Rebecca Cook or a staff member in the Learning Resources Center at Cleveland Tech.
