### Greenhouse Gardening Classes

Jack Butler, an experienced greenhouse operator, will instruct.

The course will deal with soils, reproduction, light, heat, fertilizer, and water requirements for a variety of plants. It is also designed to help individuals in the physical operation of a

greenhouse and the growing and caring for all types of plants.

Registration will be at Tech's greenhouse on the campus on **Macks Quarterly Dividends Announced**. The Board of Directors of Macks Stores, Inc., has announced the declaration of a quarterly dividend of 5c per

Tues. Jan. 8 at 6:30 p.m. The classes will meet 6:30 to 9:30 p.m. on Tuesdays for 15 weeks.
