was the Marvin B. Hamrick family. Mr. Hamrick has a beef cattle farm. He does good grassland management on this farm. The farm family was honored at a Cleveland District Supervisor Meeting and was presented a plaque for being selected conservation farm family.

A conservation fair booth was sponsored by the District at the Bethware Community Fair which is usually held about mid-September each year. The District also sponsored a conservation booth at the Cleveland County Fair which is usually held the later part of September and first of October. This is a 9-day fair while Bethware usual-ly last 4 days.

The District Board provides conservation booklets for all 6th grade students and teacher's guides for their teachers for all Cleveland County, Kings Mountain City, Shelby City and Twelve Oaks Academy schools.

The District is usually represented by the Area VIII Spring and Fall Meetings and the State Annual Meeting of the Soil and Water District Super-visors.

The District Board elects their officers in January or February each year. The officers for this year are Sam Jenkins, Chairman; Cameron Ware, Vice Chairman; Dan Jones, Secretary-Treasurer; Roy D. Dedmon and Robert Don Sweezy, regular members. Paul Davis and John Bridges are

Associate Supervisors.

Each year the District enters the Goodyear Contest sponsored by the Goodyear Rubber Com-pany. Each District who enters this contest includes a copy of their Annual Report and Annual Work Plan along with the Goodyear Score Sheet and other items of information about the District's work.

In March each year the District works with the FFA Land Judging Teams in conduc-ting a contest.

This year Burns High School placed first in District VI of nine teams and fourth in the State from 45 teams. The team members were Tim Greene, Gene Terry, Richard Yount, Gary Head and Don C. Elliott,

advisor. They were invited to enter the National Federation but decided not to this year since they were a new team. They hope to be able to enter the Na-tional Federation next year.

The District participates in Soil Stewardship Week. Soil Stewardship Week is always in May each year. This year Soil Stewardship Week was May 11-18. The theme was The Judg-ment of Nature. The District purchased some materials to be used by some of the local church-es during the week. The booklet used each year is made up of Bible references and about taking care of our natural resources that God has given us to use. A news article on Soil Stewardship was mailed to the

local papers and spot an- nouncements were mailed to local radio stations.

The District reviews the Memorandum of Understand-ing, Long Range Program and Annual Work Plan during the year to try to improve and en-courage better conservation.

About April each year the District starts thinking about ob-jectives needed for the new fiscal year which starts on July 1 each year.

The District does some work with the local Units of Govern-ment in advising good conserva-tion measures for some of their projects.

The Board members reports on critical areas as they locate them so they may be entered on

a map in the field office for fur-ther follow-up.

The District has worked with some of the schools having ero-sion and drainage problems dur-ing the year.

The supervisors participated in the RCA Program by review-ing slides and voicing their opi-nions.

Slides on a Soil Survey were reviewed by the District Board of Supervisors and others. These slides showed needs and advan-tages for a soil survey.

Each year the District spon-sors one or two students to at-tend the Resource Conservation Workshop at N.C. State Univer-sity, Raleigh, N.C. Each county in the state is eligible to sponsor a student.

### New Tech Classes Set

The Continuing Education Department of Cleveland Tech has announced the following classes:

Mixed Crafts begins Tuesday, August 5, from 6:30 to 8:30 p.m. at the shop of the instructor, Sarah Bell, National Military Park Rd. (Hwy. 216).

Cleveland Tech, in cooperation with the Cleveland County Community School Program, will sponsor a typing class at Crest Senior High School beginning Monday, August 11, from 6:30 to 9:30 p.m. The 33-hour class will be instructed by Joyce Davis for all levels of typing skills. Persons interested in learning to type or to increase their skills should report to room 102 at Crest High School for registration. The cost is \$5.00 for the entire course.

Bricklaying begins Mon., August 4, and will meet each Monday and Tuesday, from 6 to 9 p.m., at the Old County School Bus Garage on Earl Rd. Richard Stroup will instruct.

Dressmaking begins Mon., Aug. 4, from 9 a.m. to 12 noon, at Tech's Uptown Annex, room 18. Stella Humphries will instruct.

Radiological monitoring will begin Tues., Aug. 5, and will meet each Tuesday and Wednesday, from 6 to 10 p.m., at the Shelby Fire Department on Grover St. Richard Alexander will instruct.

Tailoring begins Tues., Aug. 5, and will meet each Tuesday and Thursday, from 9 a.m. to 12 noon. Stella Humphries will instruct the class that will meet at Tech's Uptown Annex, room 18.

Adults, 18 years of age and older, may register at the first class meeting by paying the \$5.00 registration fee. Adults, age 65 and over, may register free of charge.

If further information is needed, call Tech's Continuing Education Department at 482-8351.

Rick Pasotto

Issues Statement

On Draft

Rick Pasotto, Libertarian candidate for the U.S. Senate in the November general election, issued this statement on the draft Wednesday.

Said the Charlotte buyer for industrial textile supplies, "The draft is slavery. It is nothing more than a prelude to conscription. It is involuntary servitude. It has no place in American society. Registration is a major step toward the Vietnam era treatment of America's youth as cannon fodder."

David Braatz, secretary to the candidate, said that the Libertarian national committee on Feb. 3 approved resolution opposing any form of compulsory registration for the draft and endorsing civil disobedience as an appropriate moral and practical means of resisting mandatory registration and the draft.

Pasotto faces Democratic opposition from incumbent Robert Morgan and GOP opposition from John East, neither of whom have indicated they will participate in a debate.

Pasotto spoke to Gaston College students recently on campus.
