### 'Key Paks'

'Key-Pak' is a great saving idea from the Key...It lets you stock up on 5 lb or more packs of steaks, ribs, chops, and fryers and take home an additional 5¢ per pound savings off our everyday low warehouse meat prices...'Key-Paks' are great for large households & small....So stock up today and add up the savings...

### Guaranteed Savings

That's right! Come shop at Key Warehouse Foods. Then compare us with any other store, total for total, and see for yourself which store saves you more. If the total from the other store is less than your Key total we'll double the difference.

Bring us your shopping list and your Key tape total, and tell us where you compared prices. All we ask is that your shopping list be what is considered your 'weekly' food needs purchased during a regular major shopping trip, with a minimum order of \$20.00 and 25 or more different items.
