Mounties At East Friday

Cont. from page 3

There's no way we're as bad as we've shown.

"East Rutherford has a good back in Charlie Surratt, who is real quick and a good runner, and they have a real good defensive team. We're going to have to do a much better job of run-

ing the football.

"East Rutherford had a good chance to win or at least tie against Crest last week," Brooks went on. "They dropped a touchdown pass toward the end of the game and could win."

East Rutherford has played a tougher schedule than the Mounties, losing narrow deci-

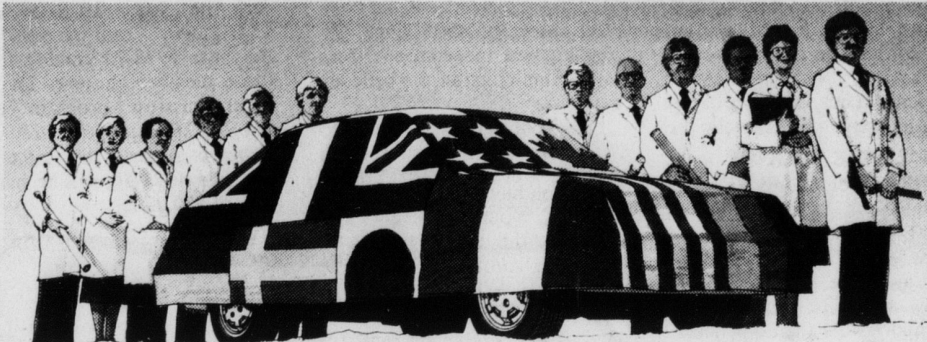

sions to Hendersonville, R-S Central and Crest.

Coach Brooks doesn't plan any drastic changes for Friday but intends to continue shifting players around and get more players in the game.

"We can be as good as anybody if we grow up," said Brooks.
