

RIDING ROUTE - Co-chairmen Bob Decker, left, and Randy Alexander measure the Court Square Race routes for the third annual Court Square Run on October 25 at 12 noon. The race will be certified by the American Athletic Congress and the 5,000, 10,000 and 20,000 meter races need to be verified by a representative of the Athletic Congress.

Court Square Run Set

The 1980 Shelby-Civitan third annual Court Square Run is still on course for a high noon start on Saturday, October 25 at the court square in downtown Shelby. The races will consist of a one mile fun run, a 5,000 meter sprint, a 10,000 meter dash and a 20,000 meter competition. All races will start simultaneously and will consist of a run through tree lined avenues of Shelby, with the participants going on an "out and back" course through the nearby countryside. All races will be certified as to length by a representative of the American Athletic Congress.

There will be five divisions per race per gender (13 and under,

30-39, 40-49, over 50 and open) for a total of 40 divisions.

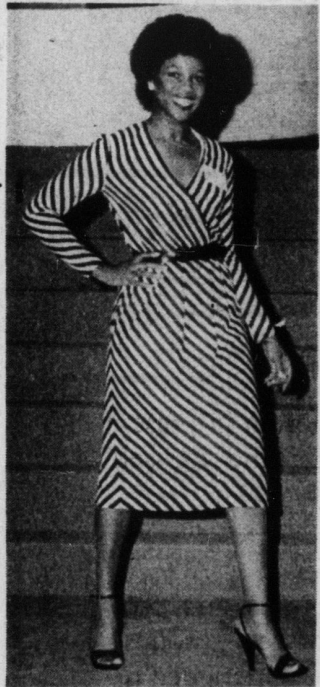

The Civitan Club race committee has made many improvements for the annual Court Square Event. Twenty-three businesses in Cleveland County have given support contributions so that a first class race can be run. The businesses are Athletic Footware, Auto Replacement Glass, Ray Chapman Electrical Contractor, Cleveland Equipment, Cleveland Radiator Service, Cleveland Savings & Loan, Cornwell Hospital Pharmacy, Dickson & Associates, Dogwood Datsun, Farmers Hardware, First Federal Savings & Loan, Gardner-Webb College, Harrill Chemical & Paper Supply, Howard Lincoln-Mercury, Kenneth Lily Fasteners, Lackey-Blue Real Estate, M&J Financial Corporation, Mastertemp, PPG Industries, Junior Setzer Well & Pump Company, Shelby Printing, Sime Pharmacy and I.G.

Watson Heating & Air Conditioning.

This year, there will be a pre-registration on Friday evening, October 24 in the church annex building at the court square for those runners wishing to go ahead and get that taken care of early. Harold Pless will be handling pre-registration from 7:30 p.m. to 9:30 p.m. in the church annex. Regular registration the morning of the race will also be held in the church annex from 8:30 to 11:00 a.m. Rest rooms will be available to runners in the church annex.

Race brochures and applications can be picked up at the businesses supporting the race and at many other locations in Cleveland County.

The Civitan Club expects 1,000 runners to the third annual event and all money received from the race will go to Civitan charities.

RUNNER UP CLASSIC MODEL-Patricia Littlejohn was first runner-up Classic Model in recent modeling in the World Modeling Association Conventions in New York. She modeled for designers Dorothy Shabazz and Ed Ward of Washington and was accompanied by Joan Baker. Miss Littlejohn is a graduate of Joan Baker's School of Personal Development, Beauty Pageantry, Fashion and Modeling.

More About Parkdale

cont. from page 7

produced was in 100% combed cotton yarns, while the other half was polyester-cotton blends. Sales totaled \$98 million in 1980.

Parkdale is a long-time member of a number of outstanding manufacturing and trade associations, including the American Textile Manufacturers Institute, the American Yarn Spinners Association, the National Knitwear Manufacturers Association, the North Carolina Textile Manufacturers Association, the United States Chamber of Commerce, the National Association of Manufacturers, and others.

The North Carolina firm has had a long history of successful operations and profits in a highly competitive industry. This is attributed to astute management and sound, conservative financial principles. Parkdale's consistent growth pattern has been on a pay-as-you-go basis and was accomplished without corporate debt.

The management team, recognized as industry leaders throughout the United States, is headed by W. Duke Kimbrell, Chairman and President.

Kimbrell has been with Parkdale since 1949 and has been the firm's chief executive officer since 1961. An industry innovator and spokesman, he is a director of the American Textile Manufacturers Institute and the North Carolina Textile Manufacturers Association and is a past president of the American Yarn Spinners Association.

Other key executives include Arthur R. Newcombe III, Vice President of Sales; Ken Pruitt, Vice President of Manufacturing; George Blomquist, Vice President of the Lexington Division; and Don Stewart, Secretary. All are Parkdale - and textile industry - veterans.

Parkdale Mills is a closely-held private corporation.

Sales Decline By Shearing

Commercial Shearing, Inc. today announced third quarter sales of \$55,489,000 and net earnings of \$3,303,000 or \$40 a share for the third period which ended July 31. Nine-month sales totaled \$175,469,000 with earnings of \$10,668,000 or \$1.29 per share. Third quarter sales a year ago were \$61,274,000 with earnings of \$4,242,000 or \$.52 a share. Nine-month sales in fiscal 1979 were \$179,923,000 with net earnings of \$13,466,000 or \$1.64 per share.

The decline in sales and earnings for this reporting quarter reflects the downturn of business activity in the capital goods market and, in particular, the construction, agricultural and materials handling equipment industries. This downturn was first felt early in the fiscal year and although it appears to have stabilized, a significant improvement in these markets is not expected for several months.
