### Mountaineer Patriot Day Monday In District Schools

Mountaineer Patriot day is Monday at Kings Mountain District Schools and all students and school personnel are invited to dress in the "Mountaineer" style or the patriot style of red, white and blue.

All the schools are involved in many programs recognizing the 200th anniversary of the Battle of Kings Mountain. Students have visited the National Military Park, assisted in making costumes for the drama, com-

### KM Women Participated In Workshop

North Carolina Alpha Delta Kappa International Honorary Sorority for Women Educators held the Leader's Workshop Executive Board President's Council Sept. 13th at Best Western Burlington Inn, Burlington.

Representing Kings Mountain's Beta Chi Chapter were Mrs. Mary Plyler, president, Mrs. Ann Bennett, treasurer, Mrs. Susan White, corresponding secretary and Mrs. Jean Sabettie, sergeant-at-arms.

The "Nuts and Bolts" of Alpha Delta Kappa was the theme of the leader's workshop. Ruth Fox, past state president of Alpha Delta Kappa, presided over the morning session. Rebecca Swanson, Southeastern Regional Grand Vice President, gave an address, "The Power That Permeates and Propels." Onell Smith, past Grand President, presented, "A Proud Tradition, Just What Is Alpha Delta Kappa." Interesting discussion on pledging, badge etiquette, fraternity education and the Greek Alphabet were covered in the morning session.

A luncheon buffet was served. Rebecca Swanson, Regional Grand Vice President, closed the meeting with an address on "Qualities of Leadership" after which district meetings were held.

### GROVER PARADE

The annual Grover Christmas Parade, sponsored by the Grover Lions Club, will be held at 3:30 p.m. December 12. Anyone interested in entering a float or unit should call Gloria Horton at the Grover Town Hall, 937-9986.

the lighting crew: Mark Cloninger, Angie Curry, Rodney Dyer, Donna Wright and Beth Wyte.

Monday will be designated as MOUNTAINEER/PATRIOT Day in the Kings Mountain District Schools. Students and personnel are asked to dress in the "Mountaineer" style or the Patriot style of red, white and blue.

Four students from the KMSHS Chorale, directed by Gene Bumgardner, were selected to audition for the Honors Chorus held in Winston-Salem. They are Carla Scism, Joanna Rushing, John Grant and Brian Norris.

Junior magazine sales terminated this week with an approximate total of \$12,700. The three top salesmen are Bob Smith, Janet Blair and James Rikard. These students will choose a level prize or a cash award.

The Beta Club, sponsored by Mrs. Carolyn McWhirter and Ms. Kay Chitty, met last week and discussed the Beta constitution absence code, and voted to schedule the Powder Puff Football Game for Thursday, Nov. 20 at 7:30 p.m.

The classroom work for school-busdriving will be held Wed., Oct. 8, and Thursday, Oct. 9. Interested students should see Blaine Froneberger.

Underclass picture packages may be purchased by returning the proof-envelope and full amount to homeroom teachers no later than Monday.

Students may purchase annuals from Joe Rountree in room 117 before school, during lunch or after school. The price is \$12.00, and a \$1.00 fee is charged to seniors wishing to have their names on the front cover.

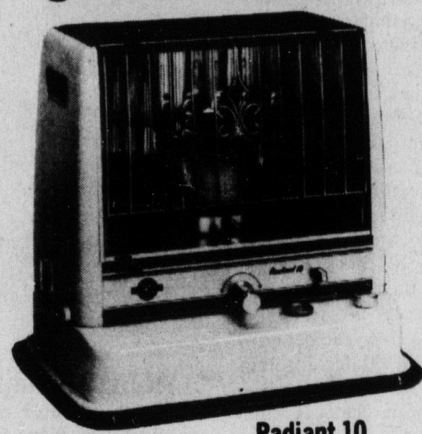

The North Carolina Pre-Competency Tests and Competency Tests were administered to sophomores and juniors Tuesday and Wednesday.

**Kero-Sun introduces the new miracle heating fuel—good ol' kerosene.**

**Radiant 10**

If you still think of kerosene as a smelly, smoky fuel, you haven't heard what's going on!

"What's going on" is this: Kero-Sun has come up with a portable heater that makes kerosene socially acceptable. Kero-Sun heaters come in Radiant models like the 10, above, that deliver quick-action warmth — and Omni models with extra-big space heating capacity. Use either type to get rid of nasty cold spots anywhere: basement, workshop, garage, barn, greenhouse, store, office, construction site. Kero-Sun heaters work with no odor and no smoke — imagine! The secret: space-age technology and quality construction. Example: pushbutton built-in battery powered igniter. And for complete peace of mind, all Kero-Sun heaters are equipped with a tip-over shutoff device. Burning time for the Radiant 10: an amazing 30 hours on less than two gallons of kerosene, with a 9,400 BTU/hour output. Kero-Sun: the super heaters with the super fuel!
