projects". During the past five years the city received \$1,040,000 during 1975, 1976, and 1977, received \$468,000 in 1978 and \$338,000 in 1979-80.

"Our Neighborhood Strategy area for rehabilitation has been directed more toward low and moderate income groups with emphasis on housing and saving of existing housing through rehabilitation", said the Mayor.

Reviewing the program, the Mayor said that the city initiated Community Development by improving its water producing capabilities, developing a storage capacity for water, and subsequently found there were many other needs. A home-based child care center was established at the Community Center, the Kings Mountain Development Office was set up and the KM Aging Program was established at the renovated Depot Center. Urban beautification and planning for a new City Hall were expressed in public meetings in which citizens gave input as to how the funds should be spent.

Board Increases Cop Pay

The board set a 25 m.p.h. speed limit the entire length of Sims St. and set the date for the December meeting to be on Dec. 15th. Since the second meeting date falls on Dec. 22, the board voted to hold only one meeting during the month of December.

The board went into executive session, returning at 9:25 p.m. to announce that recommendations from a Department head concerning two employees had been discussed but that more information was required before action could be taken.
