

## Mark Kiser Is Elected

Mark Kiser, son of Mr. and Mrs. Fred W. Kiser of Minnetonka, Minnesota, former residents, has been elected president of the University of Minnesota Independent Republicans for 1980-81.

UMI is an organization that provides students with a means of getting involved in the political process and becoming active in election campaigns. Members meet regularly with congressmen and other elected officials.

Kiser is also an officer of the Metropolitan College Republicans comprised of students from seven major colleges in the Minneapolis-St. Paul area. A senior, he graduates in 1981 with a BA in political science and a minor degree in economics.

He is the grandson of Mr. and Mrs. A.S. Kiser and Mr. and Mrs. William Ledbetter, all of Kings Mountain.

**HONORED** - Tenth District Congressman James T. Broyhill (R-N.C.) has been declared "Hero of the Month" by the Ada Report, which is published monthly by the Amway Corporation. Steve Mast, Public Relations Counsel for the corporation, said, "Each month we

award a six-foot long hero sandwich to the individual who we feel has done the best job representing what Americans really want from government. We have chosen Congressman Broyhill for his untiring efforts to oppose harmful federal regulations."

## FOOTE DECLARES DIVIDEND

The Board of Directors of Foote Mineral Company today declared a year-end dividend of 20¢ per share on the Company's common stock, payable December 31, 1980 to shareholders of record at the

close of business on December 22, 1980. Foote had paid a common dividend of 10¢ per share in June 1980. A dividend of 40¢ per share was paid in December 1979.

May the enduring bounty of this joyful season bring you happiness and fulfillment.

To cherished patrons, our warmest thanks and a

## Finishes

Charles Kevin Bridges, City Auto & Tuck Parts employee, has been awarded a certificate of merit by the Du Pont Company's Refinish Training Center at Flint, Michigan. The center was created by Du Pont to help its automotive refinish jobbers provide better service through increased product knowledge.

During the week-long course of instruction, Bridges studied the latest developments in paint chemistry, color theory, application techniques, product usage and finishing systems.

First of its kind in the industry, the training center includes lecture rooms, laboratory facilities and a complete automotive paint shop.
