The Exemption To The Rule.

First Union's New Tax-Free C.D.

That's exactly what the new one-year Tax-Free All-Savers Certificate of Deposit is all about. It allows you a lifetime exemption of up to \$2,000 interest on a joint Federal income tax return or \$1,000 interest on an individual return, subject to IRS regulations.

The Tax-Free All-Savers Certificate will have an annual investment yield to maturity equal to 70% of the average investment yield to maturity for the most recent auction of 52-week U.S. Treasury Bills. And the minimum deposit is only \$500. Of course, deposits are insured up to \$100,000 by the FDIC.

First Union will be ready to offer the new Tax-Free All-Savers C.D. on October 1, 1981. So plan now to take advantage of the exemption to the rule. Because it's an exceptional way to save.

TAX-FREE ALL-SAVERS CERTIFICATE ANNUAL INVESTMENT YIELD.

10.77%
Available through November 28th, 1981

The following chart illustrates approximate tax-equivalent yields of the Tax-Free All-Savers Certificate at the annual investment yield to maturity of 10.23% for different income-bracket tax rates:

Marginal Income Tax Rate	Tax-Equivalent Yields
30%	13.63%
40%	15.84%
50%	21.98%

FIRST UNION Member FDIC

There will be a substantial penalty for early withdrawal, including loss of tax-exempt status. Tax-exempt status will also be lost if the certificate is used as collateral. On October 5, 1981, and monthly thereafter, a new yield which may be higher or lower than 12.61% will be in effect; however, the yield in effect on the date of purchase of an All-Savers Certificate will apply during the full one-year term of that certificate.
