**PEACE**  
GOLDSBORO — Depart from evil and do good: Seek PEACE and pursue it. (Psalm 34:14). If there is anything that this advanced and scientific world needs it is peace. What has been achieved in the past, all the achievements of today are astonishing, and what is to come, we can scarcely imagine, but that which appears extremely hard to find is Peace—most individuals lack it. There are some full of peace and happiness that bear similar radiance and welcome everyone. Let us seek to live in harmony with God. He will provide us with peace and help us to live in harmony with our neighbors.
