

NINE FERISH IN BUS ACCIDENT—A Tipton County school bus, which plunged into a deep roadside pond March 7th, lies nearly submerged near Tipton, Ga. Nine of the 50 or 100 Negro youngsters aboard the bus were drowned. Four children were admitted to a hospital in serious condition and another 45 were treated for minor injuries. The driver said the bus went out of control after striking bumps in the dirt road. (UPI TELEPHOTO)

FBI Captures Berserk Man Who Threatened To "Blow Buses"

CHICAGO — (AP) — The FBI last Thursday seized a former bus driver who attempted to extort \$50,000 from the company under threat to bomb its buses and trains. The captured man, Maurice L. Porter, was employed by the Chicago Transit Company (CTA) from May 1958 to December 1964. In January, this year, he was released from Elgin state mental hospital.

He was captured by FBI agents as he lurked among parked trucks waiting for the chairman of the CIA board, Virgil Gullock, to throw the \$50,000 out of his car window as he drove past. He admitted writing four threatening letters to Gullock between Feb. 18-25. USED GOOD ENGLISH Although Porter didn't finish high school, he used excellent English in the threatening letters. One letter said in part: "We will resort to a means that may not be very humane

but shall certainly prove effective. It is not our aim to needlessly injure the public, but since your company is publicly owned, then the public must suffer consequences," wrote Porter. He said his plot was inspired by a serial in a magazine, but he made no preparations to carry out the bombing threat.

The number of dairy cows bred by artificial breeding associations in North Carolina jumped 15 per cent in 1966.

Yes, We All Talk

By Marcus H. Boulware

POINT OF ORDER
QUESTION: Why does the motion "point of order" not require a second?—F.L.L.
ANSWER: The purpose of the point of order is merely to correct errors that are made in procedure of meetings. Hence no other person does not have to show an interest by giving a second (as the main motion requires). The point of order simply calls attention to an error. Then the presiding officer must make a decision on the point of order since no vote is required.
Member: "I rise to a point of order."
Chairman: "State your point."
Member: "My point is that the action is not debatable."
Chairman: "Your point is well taken. We will cease all debate on the motion before the house."
More than likely, the chairman will proceed to take a vote on the main motion.
The "point of order" is an in-

cidental motion and has no relationship with the main motion other than to attempt to correct an error in business procedure.
