LET'S MARCH, CHILDREN

ROCKY MOUNT—To All Students and Parents of Tarheelia: Have you remembered that following the highly successful inter-racial Student March on Dec. 28 last October that another march was planned for this year?

This year, the Reverend Gardner C. Taylor, prominent New York City Baptist minister, is chairman of the drive to recruit the thousands of marchers who will converge on the National Capital Congress and President Eisenhower to make known their desire for full citizenship for all Americans all over America.

We are quite sure that the youths want this constitutional right made into a reality for all minority-group citizens. Maybe some of their elders feel that they (the parents) are "not ready yet" for full integration into the mainstream of our supposedly cosmopolitan society and government.

Every lodge, fraternity, sorority, church, Sunday School, high school or civic club should start now to arrange to finance and chaperone one or more carloads—better still—a bus load of young people to go to Washington for this historic event.

Mr. Williams spoke on the 3rd chapter of Genesis relating to the dismissal of Adam and Eve from Garden of Eden following their failure to obey the law of God. His subject: "After Fallure—What Next?"

CHURCH ACTIVITIES

LOUISBURG—Services at the Mitchell Chapel Baptist Church began Sunday, March 15, with Church School at 9:45. The superintendent, Mr. Mack Kearney, was in charge. Subject of the lesson: "Jesus Undergoes Trial."

The lesson was very beautifully reviewed by the pastor. At the 11 a. m. worship service, "Christian Living That is Effective in Times Like These," was the theme of a most powerful sermon that was preached by the pastor.

Effective Christian living does something to the person who has it and the person to whom he contacts. Do the things we tell others to do. Effective living is centered around Christian living.

Holy Communion was observed. Music was furnished by the senior mixed choir with Miss Marian Jean "Toodie" at the piano.

Prayer meeting was held at the Mitchell Chapel Baptist Church on March 11 at 7 p. m. Following the meeting the senior mixed choir had a rehearsal. The president, Mr. Dennis Davis, presided.

The program consisted largely of dance numbers, along with songs and rhythm band presentations.

The Rev. J. H. Costen is expected to return this week from a flying trip to Chicago where he attended the Presbyterian Men's Council winter meeting and the special Moderator's Conference of the United Presbyterian Church, U.S.A.
