York New Wins Bid For Patterson-Johannson Bout

Tar Heel Cagers Defeat Grambling Tigers, 88-78

KANSAS CITY, Mo. (AP) — with two minutes on the clock. However, the furious pace took its toll on the Tigers and four quick free throws and driving lay-up sealed Grambling's doom. Richard Whitis pumped in 24 points for the North State Conference champions. Big John Ladd and Bill Reese provided additional size and scoring punch by contributing 17 and 14 points to swing the pendulum in favor of the Tar Heels.

GOOFIN' OFF BY "SKINK"

Johnny McLendon, basketball coach at Tennessee A&I, and former basketball head at North Carolina College, is receiving more national publicity than any septa coach ever received in any sport. His present aggregation has won the small college national basketball championship three times. His latest accomplishment came last weekend.

Even-Sixteen" Greene, the amphiextrous fireballer with the Indianapolis Clowns is from Tobaccoville, N. C. He has become a tremendous drawing card with the barnstormers and is limited to three innings a game so that he can perform every night for the fans in every city on the Clowns' schedule.

Yours truly caused Greene to stay out of professional baseball one year, because he looked like good college material. He was offered to two or more coaches for free, but all financial means of support for athletes in every case were exhausted.

After a year of waiting, "Babe" Davis, owner of the Winston-Salem Pond Giants called me in on a deal with Syd Pollard, owner of the Clowns, who, at first, took Greene to be a freak. After being convinced that Greene was equally effective with either arm and was a strikeout artist, Syd took him on. Last year he won 50 percent of the Clowns' games and is headed for a bigger and better record this season. He is 18 years old and a high school grad.

Calloway Wins Presidency Of California Boxing Guild; 2nd Highest Tan Official

LOS ANGELES — (AP) — In an election held at the Alexandria Hotel recently, John Calloway, California boxing stalwart, won the presidency of the Boxing Guild of Southern California by a landslide vote which saw him outdistance his nearest opponent.

Calloway, secretary of the Guild for the past seven years, thus became the second highest ranking Negro boxing official in the nation. He is topped only by Truman K. Gibson, Jr., former president of the recently dissolved International Boxing Club, and now a director of the newly formed National Boxing Enterprises. Like Gibson, Calloway is a native Chicanos, but has lived here for several years.

GOT WIDE SUPPORT
In his campaign for the presidency of the 110-member group, Calloway was backed for his integrity and fairness. Among the individuals and groups supporting him were the managers, boxers, seconds and trainers who made up the Guild membership, and newspapers, and civic and sports leaders.

The powerful Los Angeles Sentinel threw its support behind him, as did the Associated Negro Press, national news service.

TO CONDUCT REFORM PROGRAM
Shortly after his election big, eight-foot John, the weight 265 pounds, stands 6 feet 11 inches for San Francisco to discuss his program with members of the Guild in northern California. He also hopes to contact the various guilds throughout the nation and try to work out mutual problems with them.

Calloway will be officially installed at a banquet in April. A man keenly interested in the welfare of the boxer, he has pledged a relentless program to "correct some of the evils in boxing and lift it up to the level it deserves." Among other things, he will fight for more pay for preliminary boys and a larger cut of the money from national TV shows for main event fighters.

Young Holmes, who stands 6-4, is captain of the Charlestown High team which won the Class B championship. Holmes shares the award with Art Graham, white, captain and high scorer for Matignon High, runnerup in the Class A class.

Both athletes will receive replicas of the Henry McCarthy Trophy, which has been awarded annually since 1949.

Poitier Plays A Marine In "Young Men"

HOLLYWOOD (AP) — Sidney Poitier will return this coming summer to play the role of a marine in the forthcoming "All the Young Men."

The picture deals with contemporary issues set against the background of the Korean conflict, and will be produced independently by Hill Bartlett Productions, Inc.

Sidney will portray a member of marines of different racial origins and social outlooks. Their views come to a focal point when they take refuge in a farmhouse to await the arrival of reinforcements.

The exact date of Poitier's arrival to begin the film will depend upon the success of the play, "A Raisin in the Sun," scheduled to open shortly at New York's Broadway Theatre.

"Chi" Loses In A Try For Title Fight

NEW YORK (AP) — New York has outbid Chicago \$500,000 to \$599,000 for the coming Floyd Patterson-Ingemar heavy-weight title fight and Promoter Bill Rosebush plans to put on the show in either Yankee Stadium or the Polo Grounds about June 23.

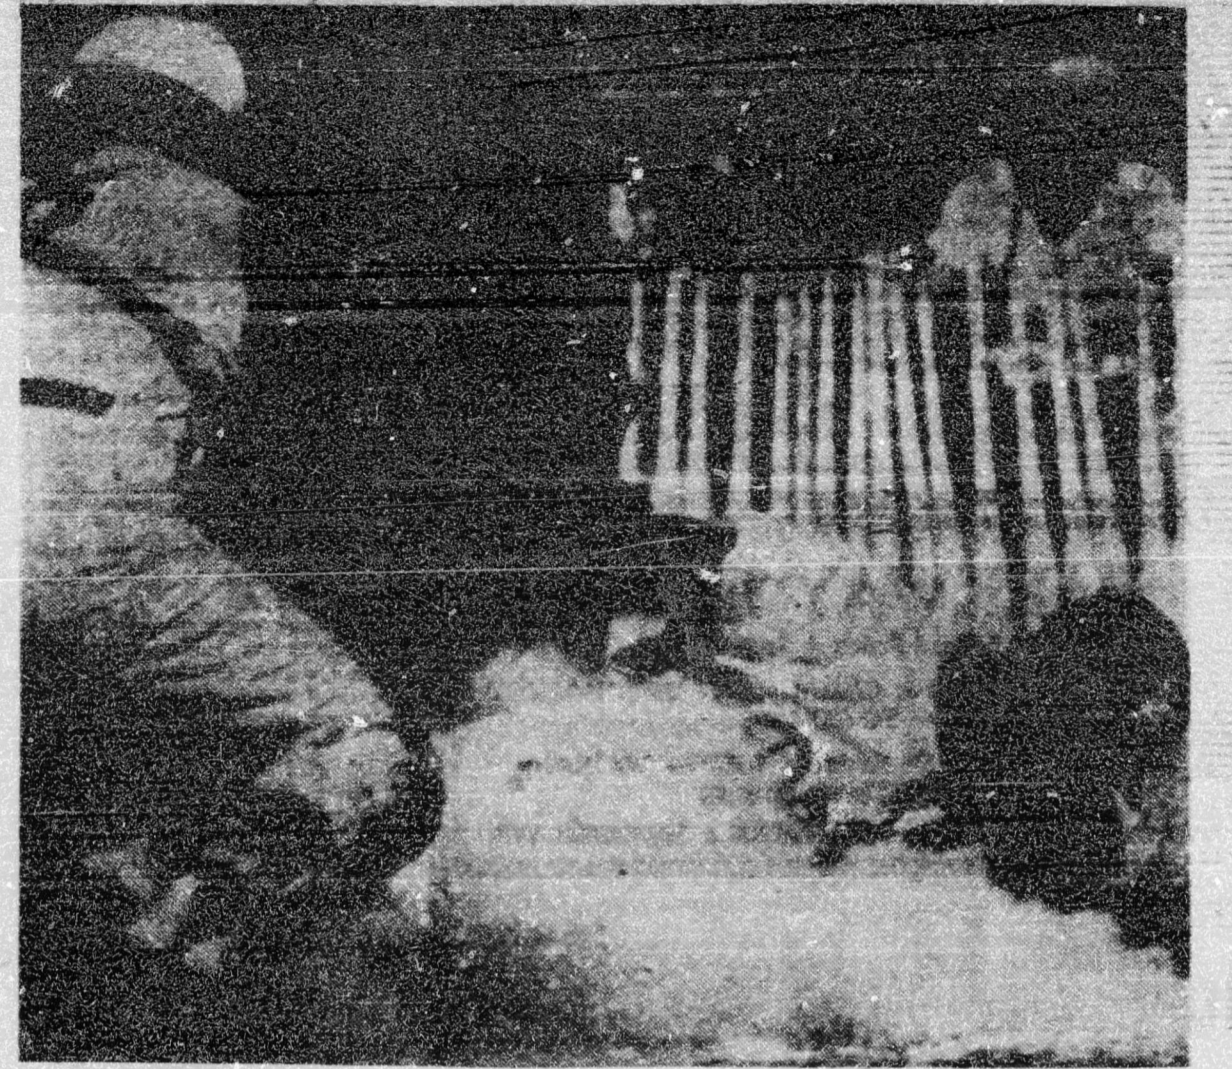

The 35-year-old New York promoter said the \$600,000 guarantee was made by hotel baron Bill Zeckendorf and his son. Until then, Chicago, offering Soldier's Field with a seating capacity of close to 80,000 had the fight, he added.

Zeckendorf, who owns six hotels and is building another, is interested in the fight because of the loot it will bring to Gotham and, specifically, to his business. He predicted the fight will attract \$69 million in trade to New York City.

PATTERSON TO GET \$300,000
Meanwhile, heavy-weight Champion Patterson has been guaranteed \$300,000 against 60 per cent of all receipts to risk his title against Johannson, who holds the European heavy-weight title. Johannson is undefeated. Ingemar has been guaranteed \$100,000 against 50 per cent of all receipts.

TV COVERAGE UNDECIDED
Details of the TV coverage have not been worked out. Rosebush said at the press conference at which he made the announcement. However, he admitted he has talked with executives of the three major TV networks.

A LEGAL HITCH
However, now that the site and possibly the date have been decided upon, one barrier remains. Although Rosebush tactfully refrained from mentioning it, heavy-weight contender Eddie Machen has started legal action to block the Patterson-Johannson fight. Machen attorneys said papers have already been served Ingemar.

Aggies Beat FAMU, 98-75; Win NAIA Area Honors

(AP) — With a brilliant display of offensive power, North Carolina A. & T. College defeated a determined but outclassed Florida A. & M. University Rattler quintet, 98-75, to win the South Central District tournament of the NCAA.

For a brief period in the opening minutes, Florida had Red A. and T. on even terms. Then Al Attles, half-backing Aggie ace, sank a spectacular shot to trigger an A. & T. 19-point spurt that gave the Carolina team a 35-17 lead. The lead was increased to 45-26 at the half.

In the consolation game, Lenoir University, Jefferson City, Mo., topped the Golden Tigers of Tuskegee, 88-64, behind the sharpshoot of George Pruitt, captain and forward. Pruitt scored 30 points — highest individual score in the game.

Pruitt was chosen along with Attles of A. & T. and Leo Morgan of the Rattlers to the All-Tournament team by sportswriters and broadcasters. The other two members are Joe Howell and Charles Harrison of A. & T.

Doby, Mino, Power Key Men In Plans Of Indians

CHICAGO (AP) — On a hot July day in 1947, Larry Doby had his major league debut in Coney Island park on Chicago's South Side. Doby had been a shortstop with the old Newark Eagles.

But when Manager Lou Boudreau of the Cleveland Indians assigned him a position in the second game of a double header with the Chicago White Sox, Larry was sent to first base, a position then totally unfamiliar to him.

Doby never played first base again. The next year he finally settled in as a regular fielder, where he was stand-out for the Indians for several seasons and later for the White Sox.

This season Doby will again be cast in a strange role, and his success in it will have a lot to do with the Indians' fate in the American League race. He will be a first baseman.

"First base is the place where guys wind up when they can't find any other position," Doby said on his arrival at the Indians' training base in Tucson, Ariz. "I figure if you can play ball at all you can do this job well enough to get by — if you hit. But I'm not going to try to just get by. I'll have some things to learn, but I want to be a good first baseman. I'll add two, three maybe four years to my career."

Manager Joe Gordon believes Doby can handle the defensive assignments acceptably. And Gordon wants Larry in the lineup because of his potency at bat. In his limited action last year (39 games), Larry drove in 45 runs while hitting 13 home runs at a .283 average.

Power was among the AL leaders in hits, runs, doubles and triples. He also bashed 16 home runs. He came to the Indians in a June trade and prominently proved himself to be a party to the best deal the Cleveland general manager, Frank Lane ever made in his hundreds of deals.

MINNE SHOULD DELIVER
The Indians, of course, are looking for another bustling season out of the most flawless performer in baseball — Minnie Mino, who went to the Indians after several years with the White Sox, also returned to his first major league affiliation last year.
