CLEANING PLAN FOR CARPET AND RUGS—Of all household articles, carpet takes the most severe punishment. However, simple methods of regular care preserve its beauty and insure long, satisfactory service. Good advice from carpet research specialists:
1. Daily Cleaning—A light brushing with vacuum cleaner or carpet sweeper each day is advisable in post homes. The dirt is thus removed promptly, before it is ground into the fibers.
2. Weekly Cleaning—Vacuum

cleaning is necessary at least once a week. Each section of the carpet should be gone over repeatedly until the particles of surface soil and embedded grit are removed.
3. Periodic Cleaning—Remove spots promptly, using a soft cloth dampened with clear water or cleaning fluid. Do not saturate the rug. Dry quickly. Raise the damp section of rug to allow air to circulate under it. Once or twice a year, use a vacuum on the back of the rug and over both sides of the carpet cushion.
Professional cleaning by a dependable rug cleaning establishment assures thorough cleaning that will greatly increase service from your rug.
Moth Damage Prevention for Wool Rugs—Regular use of vacuum or sweeper will do much to discourage moths from settling. It is wise to use preventives occasionally, such as flakes, bombs or sprays.

OH, MY ACHING BACK

Now you can get the fast relief from nagging backache, headache, muscular aches and pains that often come at night and miserable tired-out feeling. When these discomforts come with over-exertion or stress and strain—over-eat, over-work, over-worry—another disturbance may be bladder irritation following wrong food and drink—often setting up a restless uncomfortable feeling. Doan's Pills work fast in 3 separate ways: 1. by speedy pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains. 2. by soothing effect on bladder irritation. 3. by mild diuretic action tending to increase output of the 15 miles of kidney tubes. Enjoy a good night's sleep and the sure happy relief of nature's law for over 40 years. New, large size saves money. Get Doan's Pills today!

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.
In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such extraordinary statements as "Piles have ceased to be

a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing. All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body. This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug counters. Satisfaction guaranteed or money refunded.
