BY MISS LENA EURE

On Sunday, April 5, the morning worship service began promptly at 11:00 o'clock.

The pastor, Rev. M. F. Booker, made his call to worship and the senior choir marched in singing, "We're Marching to Zion."

After the choir had taken its places it sang, "Gloria Patria." The pastor then led us in prayer while the choir softly chanted "The Lord's Prayer."

The first hymn of the morning rendered by the choir was, "There's A Fountain Filled With Blood."

The scripture lesson was read by the pastor, which was the entire 14th chapter of the Gospel according to St. John, after which prayer was offered by Deacon Hinton.

The announcements of the week and the introduction of the visitors were made.

The mission offering was lifted while the choir sang "Dwelling In Beulah Land." This offering was blessed by Deacon Holloway.

The general offering was lifted and consecrated.

The pastor began his sermon using as a theme, "The Spiritual Promise." The theme of the pastor's sermon was centered around the 16th verse of the 14th chapter of St. John.

In this passage of scripture Jesus tells that in His Father's house there are many mansions and that He goes to prepare a place.

This was a very wonderful sermon and enjoyed by all present.

Immediately after the sermon, an invitational hymn, "Jesus is Tenderly Calling," was offered by the choir.

The Communion was then prepared and served while we sang "Amazing Grace."

The doxology was sung and the benediction was pronounced by the Rev. C. S. Burnett.

## Davie Street Presbyterian Church News

"The Password to Salvation," based upon Acts 4:12, was the subject of the sermon preached by Rev. Robert L. Shirley, pastor, on Sunday morning.

It was emphasized that some people consider democracy a password, some consider money and power, some think of love, while others think of the name of Jesus as the password to salvation.

Rev. Shirley pointed out that experts have given linguistic tests and found that the average person has a vocabulary of 3,000 words by which he must express his ideas and thoughts.

In a session meeting, March 29, three persons were received into membership in the church. The pastor has welcomed most heartily the new members into the fellowship.

A general meeting of the officials of the church was held Wednesday at the church.

The Council of Presbyterian Men will hold its spring assembly in Charlotte, April 11-12.

The printed church announcements stated that a Human Relations Institute was held at Johnson C. Smith University from April 3 to 7 at which time such eminent speakers as Dr. Frank Graham, ex-president of the University of North Carolina, and Dr. Linton Pope of the Yale University Divinity School, would give addresses.

Through a special gift of the December Birthday Club, the church was enabled to make the last payment on the organ.
