

Aggies Set For FAMU Saturday

TACKLES ON LIGON'S TEAM — The above young men are tackles on the football team of the J. W. Ligon Junior-Senior High School football team. The Little Blues, coached by P. H. (Fete) Williams, are from left to right: Charles Williams, Albert Hawkins, Bobby Gardner, co-captain; Staley Keith, and Lonnie McClain.

A&T Seeks 1st Victory In 10 Yrs.

GREENSBORO — The A&T College Aggies will be seeking their first win over the Florida A&M University Rattlers in 10 years when the two teams collide here in the intercollegiate football game on Saturday, November 7.

A&T defeated Florida last in 1949 and since that time has been able to tie two of the engagements at 7-all in 1951 and 35-25 in 1955.

Close observers believe the Aggies have their best opportunity to win this season.

Kickoff time has been set for 2 P. M. at Greensboro Memorial Stadium and another record crowd is expected.

Hampton's Grads See Homecoming

HAMPTON, Va. — Hampton Institute alumni from 12 states and the District of Columbia flocked back to the campus for one of their biggest homecoming celebrations recently. The late afternoon rain did not dampen the ardor of the 6,000 fans on hand to see the football clash between the Virginia State College Trojans and the Fighting Pirates.

The crowning of "Miss Hampton," Miss Angela Archer from Roanoke, Va., on Friday evening officially opened the two-day celebration. Regally ascending her throne on the stage in Ogden Hall, Miss Archer was flanked by the sweethearts and representatives of student organizations.

She was formally crowned by Tom Robinson, Washington, D. C., captain of the football team, and presented her robe and scepter by Thurman Davis, Raleigh, N. C., president of the Student Council.

Attending the Queen were four members of her court, Miss Jamie Pinckney, Augusta, Ga.; Miss Patricia Griffin, Milford, Conn.; Miss Roberta Ham, Sumter, S. C.; and Miss Charmaine Marks, Miami, Fla.

Saturday morning's parade with its floats, bands and high stepping majorettes carried out the homecoming theme, "Hampton... a Symbol of Progress," as it marched off campus and through the business district of Hampton.

Winners of the float competition were: 1st prize, Zeta Phi Beta Sorority; 2nd, Alpha Phi Alpha Fraternity and Alpha Kappa Alpha Sorority; and 3rd, the Division of Technology.

Highlighting the activities Saturday afternoon was the Homecoming football game between the Hampton Institute Pirates and the Virginia State College Trojans. Going into the game with a 2-1 record, the Pirates hoped to down the Trojans whom they were meeting for the 44th time. The Trojans, who have had an unbeaten season, downed the Pirates by a score of 25-0.

A pig farrowed at one and one-half pounds has only one chance in eight of reaching weaning age.

Dairy farming is a \$160 million annual business in North Carolina.

A pig that is farrowed at three pounds must increase his weight 30 times during the first 12 weeks if he is to reach market weight in 5-12 months.

Prepare farm machinery for winter storage.

SYRACUSE HALFBACKS — Perhaps it is economies both Ernie Davis, left, and Mark Weber, top Syracuse University halfbacks, are studying, but it's a safer bet that they're looking over a page of new plays that will be used in future games on the gridiron. Davis, a 205-pound sophomore from Elmira, N. Y., has been called the "new Jim Brown" by Orange followers. He is 19-years-old. Weber, a 20-year-old 196-pounder is a junior and hails from Selon, Ohio. (UPI TELEPHOTO)

A&T College's Aggie Make Gridiron Turnstiles Click

GREENSBORO — The A&T College Athletic Committee said this week that if the present trend continues, home attendance for this year will exceed all previous records.

L. A. Wise, chairman of the A&T College Athletic Committee, said with Maryland State College and Winston-Salem Teachers College have averaged better than 10,000 fans each including "freebies."

Tennessee State A&T University reported the largest opening day crowd in history when the Aggie played there on September 25 and South Carolina State had a "bet for them respect" turnout for its rain soaked engagement with the Aggies in Orangeburg on October 10.

Fan Gets Her Wish: Homecoming Victory

PINE BLUFF, Ark. (AP) — For Mrs. Roland Price, Chicago, a chance to return to the Arkansas A&M college campus and see the Lions in a victorious homecoming football game had long been a cherished hope.

"I don't know when I'll return," she often said, "but when I do, I want to see my school team win. That would be my biggest thrill."

Her wish came true recently, when she and 7,000 other cheering fans saw the Lions upset Wiley College of Texas in one of the most thrilling contests seen on the Arkansas gridiron in years. The Lions beat the Wildcats, 24-13, to climax a week of "zeta homecoming celebration."

Homecoming celebrations, including the annual homecoming ball, crowning of Miss AM&N of 1953, meeting of the alumni association, and a colorful parade through Pine Bluff, preceded the game.

A graduate of the class of '36, Mrs. Price, joined hundreds of AM&N alumni who flocked to the campus for the 50 festivities. She took her four-month old son, Steven Gerard, along.

Johnny Mathis To Top Sullivan Show

NEW YORK (AP) — Johnny Mathis, the popular recording artist who reared rock and roll and is one of the biggest record sellers in the business, will headline "The Ed Sullivan Show" Nov. 8. Mathis, who will share honors with British actress Gracie Fields, will sing numbers from his albums, "Heavenly Body" and "More Great Hits."

Basketball Fans Of Canada To View Globetrotters Team Soon

MONTREAL — Canada's basketball fans will have their first opportunity to see Abe Saperstein's newest edition of the fabulous Harlem Globetrotters here next week.

Capacity crowds are anticipated in Toronto and Montreal when the world's most famous quipster appears in the Dominion's largest cities, Tuesday and Wednesday.

For years the Globetrotters have been the most popular American sports aggregation to appear in Canada. They hold basketball attendance records in every major Canadian city.

One reason the Trotters, who also set attendance records in Moscow, Russia, last summer, are the darlings of Canadian sports fans is because Meadowlark Lemon never fails to make thousands laugh in this territory.

The famous Globetrotter comedian from Winston-Salem, N. C., is as beloved here as he is throughout the United States. His wild antics and side-splitting routine on the court is an exhibition no Canadian basketball fans like to miss.

However, he is an outstanding player as well. "Meadowlark is one of the greatest pivot men in the business," says Clarence Wilson, veteran Trotter captain. "People don't realize it because he's always making them laugh. But in a close game, he's the guy who usually comes through with a crucial basket at the right time. We get the ball to him, and invariably he dunks it in."

One official of the team described the boy's eagerness as follows: "I never saw a kid so anxious to make it on his own. He'd been around for months before word got around that his father was Sugar Ray."

Young Ronald is Sugar Ray's son by a previous marriage.

Asked about his views of prize fighting as a career, he stated: "No, I never cared for fighting." He added, "My father did what he could to discourage me. He called it a dog-eat-dog business."

Ronald attended Morris High School in the Bronx and still plans to attend college.

It takes careful milking procedures to get all the milk from a cow.

Plan a good rotation system for your tobacco land.

Jim Brown Sets Pace In N. F. L.

CHICAGO—(AP) — With less than three seasons of pro football under his belt, Jim Brown appears well on his way to accumulating an insurmountable total of rushing yards.

In 20 games, the hard-running Cleveland Browns' fullback has gained 3,025 yards for an average of 104-plus yards a game. By the end of the season, Brown has a good chance of moving into fourth place among the all-time ground gamblers in the National Football League history.

In his eight-year career with the Browns, Marion Motter gained 4,712 yards, but half of his pro tenure was in the old All-America Conference does not figure in these statistics.

Brown, of course, is the pacesetter in the NFL rushing department this year. In his first five games, he gained 559 yards on 122 carries for a 4.6 average.

In second place is Ollie Matson, Los Angeles, who has averaged 56 yards on each of his 88 carries for a total of 497 yards.

Perry's teammate, J. D. Smith, was third, averaging 4.6 yards on 99 attempts for 460 yards. Perry was averaging 5.5 yards for his 77 carries this season.

Other leaders include Art Powell, the Philadelphia Eagle rookie, who had a punt return average of 13.3 yards, and Mill Davis, third-year defensive back with the Baltimore Colts, who has intercepted five passes.

John Sample, with a 25-yard average, was second in kickoff returns. He is a utility back for the Colts.

Smith was a leader among the scorers with 30 points on six touchdowns.

Ray Robinson's Son Prefers Roller Derby To Boxing Ring

NEW YORK (AP) — Ronald Robinson, 21-year-old son of Sugar Ray Robinson, has turned his back on boxing and taken up roller skating.

Ronald, who went to a special school for tyro skaters, is skating with the New York Chiefs and earning his keep. Starting out at \$5 a week, Ronald now earns \$85 for three matches plus the services of a chiropractor retained by the Chiefs.

He is anxious to get ahead too. One official of the team described the boy's eagerness as follows: "I never saw a kid so anxious to make it on his own. He'd been around for months before word got

around that his father was Sugar Ray."

Young Ronald is Sugar Ray's son by a previous marriage.

Asked about his views of prize fighting as a career, he stated: "No, I never cared for fighting." He added, "My father did what he could to discourage me. He called it a dog-eat-dog business."

Ronald attended Morris High School in the Bronx and still plans to attend college.

It takes careful milking procedures to get all the milk from a cow.

West Coast Jockey Dies After Spill

BERKELEY, Calif. (AP) — Jockey Frederick Rose, 37, a native of Panama who had ridden 228 winners, mostly in his own country, died of a skull fracture following a spill from Hy-Gain, his mount at the Golden Gate fields. He never regained consciousness.

Ironically enough, Hy-Gain was Rose's second mount after coming from Panama only three weeks ago.

Graduate Of Xavier Wins Music Honors

STUTTGART, Germany (AP) — Annabelle Bernard, Xavier university graduate, who left for Europe last year to seek her fortune, walked with the second place prize (among 89 contestants) at the 8th International Music Competition which recently was sponsored by the broadcasting company of the Republic of Germany.

She has also won the Goldovsky award, Beebe award, and a cash prize of \$5,500 to help her launch a professional career.

In Germany, Miss Bernard, together with the other two winners, was presented in concert last Oct. 1. She selected the famous Wilhelm from Verdi's Aida which charmed one critic into saying: "A singer from the U. S. stepped into the footstep of Gloria Davy and passed a very convincing test of her ability when she sang this particular aria feared by many singers for its deep tones. The number she chose, however, gave Miss Bernard an excellent opportunity to demonstrate the quality of her voice."

"For this talent, one waits to hear more of."

About 80 per cent of all DDTA records in the nation are being calculated in electronic computers.

Robeson is North Carolina's leading cotton producing county. Northampton County leads North Carolina in peanut acreage.
