

Thurgood Marshall Takes South To Task In Address Before Frat

NEW YORK — Thurgood Marshall, Chief Counsel for the NAACP, took the South to task, with emphasis on North Carolina, for its seeming complacency in the fight for complete integration, as he addressed the 48th Grand Conclave of the Omega Psi Phi Fraternity, Monday morning, at the New Yorker Hotel.

The NAACP lawyer told the delegates that the failure of Negroes to stand up in the struggle was seriously hampering the full program of integration. He chided the people of North Carolina for accepting the "Assignment Program" and bemoaned the fact that if it is permitted to continue that there are children in school now who would never get the benefit of integration.

He called upon Negroes to take their cases to the court and not wait upon any body else to take the initial step. He said that Negro families should ask that their children be transferred to the schools that offer the best facilities for education.

The matter of transferring one or two children was not

being educated to meet the needs of an expanding economy, in many places, and thereby were going to find it difficult to meet the standards of living when they finished school.

He sympathized, to some extent, with people who felt dependent upon the mores of their communities for livelihood, but told the leaders that it was their responsibility to chart a program that would aid their unfortunate brothers.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where doctors' observations were continued over a period of many months. In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be

a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug counters. Satisfaction guaranteed or money refunded.

CARNATION COOKING HINTS

by Mary Blake

HOME SERVICE DIRECTOR AND HER STAFF

ROSALIE SCOTT

Short cuts to good cooking are of interest to all home-makers. I always depend on Carnation Evaporated Milk for easier, and better cooking and baking. For example, what could be faster than sauces that don't require cooking? All you do is add undiluted Carnation to condensed soup for perfect sauces every time. I hope you'll try Meat Balls with Scalloped Potatoes soon. The sauce for the potatoes is made with cream of celery soup. And for juicy never crumbly meat balls and meat loaves, too, always use better-blending Carnation.

MEAT BALLS AND SCALLOPED POTATOES

(Makes 6 servings)

3/4 cup undiluted CARNATION EVAPORATED MILK	1/4 cup finely chopped onion
1 egg	1/2 cup chopped green pepper
1 1/2 pounds ground beef	6 cups thinly sliced raw potatoes
1/2 cup fine crumbs	1 can condensed cream of celery soup
1 1/2 teaspoons salt	1 cup undiluted CARNATION EVAPORATED MILK
1/4 teaspoon pepper	
1 teaspoon dry mustard	

Measure up but the last three ingredients into a large mixing bowl. Mix well. Shape into meat balls. Cook sliced potatoes in boiling water 5 to 8 minutes or until partially cooked. Drain thoroughly. Place in 12x7x1 1/2 inch baking dish. Combine soup and Carnation. Pour over potatoes. Top with meat balls. Bake in moderate oven (350° F.) until meat balls are done and potatoes tender, about 30 to 45 minutes. For Spicy Meat Balls: Combine 1/4 cup chili sauce, 1 teaspoon mustard and 1/2 to 1 teaspoon chili powder and brush over the meat balls as they are baking.
