All class levels will be working on the fundamentals that lead to more advanced tumbling and beam work. A mini-tramp will be used to facilitate the teaching of springing stunts. Each child's capabilities will be taken into consideration in helping him/her to reach his/her potential, at whatever level that might be. Gymnastics is a disciplined activity which needs continuous follow through. Wendy Wilson, the director of the JCC's gymnastics school, will test each child's ability to assure proper placement in classes. For further information call Sara Schreiber at the "J", 366-0357 or Wendy Wilson at 542-1191.
