Story telling time at the Seder.

## Passover Seder

On March 26 the Hebrew Academy held its Annual Family Seder at Temple Israel. All of the parents and siblings of each Academy child were invited. Over 100 people attended the event which was enjoyed by all.

In addition to the traditional Passover blessings, everyone was treated to special Passover segments presented by the various grade groupings. The K-1 group sang the four questions and a number of other holiday selections. The second and third graders presented a play in segments depicting Passover Seders throughout history. They also led the Hebrew dancing. The older group presented a unique Passover Seder in which all of the participating members were played by hand puppets including Fozzie Bear and other well known puppet creatures.

Everyone partook of a light meal which consisted of some traditional Pesach foods highlighted by charoset made at the Academy by the kindergarten and first graders. Several girls from Chai BBG were there to assist and serve as part of their commitment to community service.
